

# RUGER® MK II,III™ TRITIUM INSERT SIGHTS - KENSIGHT MFG

## RUGER MK II,III TRITIUM INSERT SIGHTS

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

For the shooter who wants to explore the maximum inherent accuracy in his Ruger .22 auto. Very distinctive clicks for both elevation and windage adjustments. Made with the same attention to detail as our 1911 sights. Large 45-degree bevels and fine serrations give a superior sight picture over the factory adjustable sight. Features Trijicon 0.076" tritium dots in green or yellow with white outline. \* REQUIRES TALLER FRONT SIGHT

# RUGER® MK II, III™ TRITIUM INSERT SIGHTS

## SAFETY INSTRUCTION GUIDE

### Introduction

Thank you for choosing the RUGER® MK II, III™ TRITIUM INSERT SIGHTS by KENSIGHT MFG. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new sights. Please read this guide carefully before installation and use.

### General Safety Guidelines

- **Product Safety:** Ensure that the sights are used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any product recalls or safety notices. Check the EU Safety Gate platform regularly for updates.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety standards set by the EU.
- **Special Consumer Focus:** Extra caution should be exercised when using this product around children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, seek assistance from an EU-based contact point.
- **Rapid Alerts:** Be aware of the Safety Gate system for quick updates on unsafe products.

### Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before installing or adjusting the sights.
- Use appropriate eye and ear protection when using firearms equipped with these sights.
- Verify that the tritium dots are functioning correctly before use; if they appear dim or nonfunctional, do not use the sights.
- Ensure that the sights are securely mounted and adjusted before firing.
- Do not attempt to disassemble or modify the sights in any way, as this may compromise their safety and effectiveness.
- Keep the sights away from extreme temperatures and moisture to prevent damage.

### Instructions for Installation and Usage

#### Installation Instructions

##### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as a screwdriver.

##### 2. Removing the Existing Sights:

- Carefully remove the existing sights from the firearm using the appropriate tools, following the manufacturer's guidelines.

##### 3. Installing the New Sights:

- Align the new RUGER® MK II, III™ TRITIUM INSERT SIGHTS with the mounting points on the firearm.
- Securely fasten the sights in place, ensuring they are aligned correctly for optimal accuracy.

##### 4. Adjustment:

- Make elevation and windage adjustments using the distinctive clicks provided by the sights.
- Confirm that adjustments are made accurately before using the firearm.

## **Usage Instructions**

- Always use the sights in a safe and controlled environment.
- Familiarize yourself with the sight picture provided by the tritium dots before engaging in shooting activities.
- Regularly check the sights for any signs of wear or damage, particularly after extensive use.
- If you experience any issues with the sights, cease use immediately and consult a qualified gunsmith or contact the manufacturer for support.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding hazardous materials.
- Do not dispose of the sights in regular household waste. Check with local authorities for proper disposal methods for tritium-containing products.

## **Contact Information for Further Support**

For any questions or concerns regarding the RUGER® MK II, III™ TRITIUM INSERT SIGHTS, please consult your retailer or the manufacturer's customer service for assistance. Always ensure that you have the latest information regarding safety and product recalls.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your RUGER® MK II, III™ TRITIUM INSERT SIGHTS. Thank you for your attention to safety.
