Consumer Safety Instruction Guide for the 19LS Slide & Barrel Kit for Glock®

Introduction

Thank you for choosing the Brownells Glock® 19LS RMR Slide & Barrel Kit. This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Always ensure that the firearm is unloaded before beginning any installation or maintenance.
- Keep the product out of reach of children and unauthorized users.
- Use the product only as intended and in accordance with the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage before use.
- If you experience any issues or concerns regarding the product, discontinue use immediately and seek professional assistance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of your Glock® before using the Slide & Barrel Kit.
- Use appropriate protective gear, such as safety glasses and gloves, during installation and maintenance.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Avoid using the Slide & Barrel Kit with ammunition that is not compatible with the Glock® 19.
- Do not alter or modify the Slide & Barrel Kit in any way that could compromise its safety or performance.
- Always follow local laws and regulations regarding the use and ownership of firearms.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and safe.
- Gather all necessary tools for installation.
- Read through all instructions before beginning.

2. Installation of the Slide

- Remove the existing slide from your Glock® 19 following the manufacturer's guidelines.
- Align the Brownells 19LS Extended Slide with the frame of your Glock®.
- Carefully slide the new slide onto the frame until it is securely in place.
- Ensure that the slide operates smoothly and does not bind.

3. Installation of the Barrel

- Remove the existing barrel from the slide.
- Insert the Brownells Extended 9mm Barrel into the new slide.
- Ensure that the barrel is properly seated and locked into place.
- If using a threaded barrel, ensure that the threading is compatible with your muzzle device.

4. Final Checks

- Inspect the installation to ensure that all components are securely attached.
- Function check the firearm to ensure proper operation before live fire.
- If applicable, install any additional accessories, such as sights or optics, according to their specific instructions.

5. Usage

- Always follow safe firearm handling practices during use.
- Regularly clean and maintain the Slide & Barrel Kit to ensure optimal performance.
- Monitor for any signs of malfunction or wear during use and address them immediately.

Disposal Instructions

- Dispose of the Slide & Barrel Kit in accordance with local regulations regarding firearm components.
- Do not dispose of the product in regular household waste.
- Contact local authorities or waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or support related to the Brownells Glock® 19LS RMR Slide & Barrel Kit, please refer to the manufacturer's contact information provided with your product packaging.

This guide is designed to promote the safe use of the Brownells Glock® 19LS RMR Slide & Barrel Kit in compliance with the EU General Product Safety Regulation (GPSR). Please keep this document for future reference and ensure that all users are aware of these safety instructions.
