Safety Instruction Guide for the Brownells Glock® 19LS Slide & Barrel Kit

Introduction

Thank you for choosing the Brownells Glock® 19LS Slide & Barrel Kit. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that all firearms and accessories are stored securely, out of reach of children and unauthorized users.
- Always treat every firearm as if it is loaded.
- Familiarize yourself with the local laws and regulations regarding firearms and firearm accessories.
- Inspect the product for any damage before use. Do not use the product if it appears damaged.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Be aware of your surroundings and ensure a safe environment when using firearms.

Specific Safety Precautions for Use

- The Brownells Glock® 19LS Slide & Barrel Kit is designed for use with Glock® 19, 23, and 32 models only. Ensure compatibility before installation.
- This product includes components that may require precise fitting. Improper installation may lead to malfunction or injury.
- Always ensure the firearm is unloaded before attempting to install or remove the slide and barrel.
- Avoid using the firearm in wet or humid conditions to prevent corrosion and ensure optimal performance.
- Use only the recommended ammunition (9 mm Luger) to prevent damage to the firearm and ensure safety.
- Channel liners are required for these slides. Ensure proper installation using the appropriate tool to avoid accidents.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools for installation.

2. Installation of the Slide

- Remove the existing slide from your Glock® by following the manufacturer's instructions.
- Align the Brownells 19LS Extended Slide with the frame of the Glock®.
- Carefully slide the new slide onto the frame until it is fully seated.
- Ensure that the slide operates smoothly by cycling it a few times.

3. Installation of the Barrel

- Remove the existing barrel from the slide if necessary.
- Insert the Brownells Extended 9mm Barrel into the new slide.
- Ensure that the barrel is properly seated and locked in place.

4. Final Checks

- After installation, perform a function check to ensure that everything operates as intended.
- Check the fit and function of the slide and barrel with dummy rounds before livefire testing.

5. Usage

- When using the firearm, maintain a firm grip and be aware of recoil.
- Follow all standard safety practices when firing the firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the product has reached the end of its life or is no longer usable, dispose of it in a manner that complies with local laws regarding hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Brownells Glock® 19LS Slide & Barrel Kit, consult the manufacturer's website or contact their customer service for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Brownells Glock® 19LS Slide & Barrel Kit. Always prioritize safety and responsible use when handling firearms.
