

# 19LS SLIDE & BARREL KIT FOR GLOCK® - BROWNELL'S STANDARD 19LS RMR WINDOW SLIDE & BARREL KIT

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

The Brownells Glock® 19LS RMR Slide & Barrel Kit is a great way to build your own customized Glock® from the ground up! Included in this kit is a Brownells 19LS Extended Slide for Glock® 19. The 19LS Slide is available with standard Glock® dovetail for iron sights or an upgraded version ready for a RMR MRDS. Slide is available with window cuts to reduce reciprocating mass for less recoil and enhanced barrel cooling. A precision machined Brownells Extended 9mm Barrel for Glock® 19 rounds out the Brownells Glock® 19 Extended RMR Slide & Barrel Kit, ensuring exact fit and performance. Your choice of threaded or non-threaded. Nitride finished Slide & barrel 1-10" RH, 6 groove twist Available with standard or 1/2"-28 threaded muzzle 17-4 stainless steel slide, 7.21" OAL Fits Gen3 frames only The Brownells Glock® 19LS Slide & Barrel Kit is a great choice for building a concealed carry pistol where length is a concern, but grip printing is. Channel liner required for these slides. Channel liners are a press fit and require a tool to install. Includes patented optic cut technology pioneered by ZEV Technologies. Patent No. RE47335

# Safety Instruction Guide for the 19LS Slide & Barrel Kit for Glock®

## Introduction

Thank you for choosing the Brownells Glock® 19LS RMR Slide & Barrel Kit. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your product. Please read all sections carefully before installation and use.

## General Safety Guidelines

- Always treat all firearms as if they are loaded.
- Store the Slide & Barrel Kit in a secure location, away from unauthorized persons, especially children.
- Regularly inspect the kit for any signs of damage or wear before use.
- Ensure that the firearm is unloaded before installing or removing the Slide & Barrel Kit.
- Follow all local laws and regulations regarding firearm modifications and usage.

## Specific Safety Precautions for Use

- Use only compatible Glock® models (19, 23, 32) with this kit.
- Ensure that all components are properly installed and secured before use.
- Avoid using ammunition that exceeds the specifications of the 9 mm Luger cartridge.
- Do not modify the Slide & Barrel Kit beyond the intended design.
- Be aware of the potential for increased recoil due to the slide design; practice safe handling techniques.
- Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded.
- Gather all necessary tools for installation, including a channel liner installation tool.

### 2. Installation Steps

- Remove the existing slide from your Glock® by following the manufacturer's instructions.
- Install the channel liner into the new Brownells 19LS Slide. This requires a press fit and the appropriate tool.
- Align the slide with the frame of the Glock® and carefully slide it into place.
- Ensure that the barrel is properly seated and locked into the slide.
- If using a threaded barrel, ensure that the muzzle is securely fitted and that any suppressor or muzzle device is properly attached.
- Perform a function check to ensure the firearm operates correctly.

### 3. Usage

- Load the firearm only when you are ready to shoot.
- Always point the firearm in a safe direction.
- Follow all standard shooting range rules and safety protocols.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the Slide & Barrel Kit is damaged beyond repair, contact a qualified firearms disposal service to ensure safe and responsible disposal.

## **Contact Information for Further Support**

For any questions regarding the installation, usage, or safety of the Brownells Glock® 19LS RMR Slide & Barrel Kit, please reach out to your local firearms dealer or the manufacturer directly for assistance.

Please remember that your safety and the safety of others is paramount. Always handle firearms responsibly and in accordance with all applicable laws and regulations.
