Built-In Mount for Aimpoint Sight; Easy To Customize With Factory & Aftermarket Parts

The Brownells Acro Cut Slide for Glock® 17 Gen3 brings the ease and convenience of our popular RMR Slides to folks who prefer to mount an Aimpoint Acro P-1 red dot sight on their pistols. This slide comes with a slot machined into the top for mounting the Acro P-1 - just screw on the sight (screws included) and... hit the range! All Acro Cut slides have factory-style rear cocking serrations, plus front serrations for easier slide manipulation - chamber checks and jam clearance. A window cutout on top between the front serrations aids in heat dissipation to cool the barrel during extended fire. Plus, if you have an upgraded barrel with a contrasting finish or a unique exterior pattern (fluting, spirals, "flames," etc.), the window lets a bit of that bling shine through. Fits Gen3 Glock® 17 pistols & clones Machined from corrosion-resistant 17-4 stainless steel billet Pre-cut Aimpoint Acro P-1 mounting slot Factory front & rear sight cuts, too Distinctive top window cutout Each Acro Cut Slide for Glock® 17 is precision machined from solid 17-4 stainless steel billet that's heat-treated to Rc 41-44 on the Rockwell C scale for excellent resistance to galling and surface wear. Inside, the slide is machined to accept readily available factory or aftermarket Gen3 Glock® parts. Outside, there's a Glock® factory rear sight dovetail and a standard Glock® front sight tenon cut ready for any factory or aftermarket "iron" sights (actually, plastic or steel) that can be co-witnessed with the Acro P-1. A tough, non-reflective Black Nitride finish boosts the slide's resistance to surface wear and protects it from corrosion. Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017.

ACRO CUT SLIDE FOR GLOCK® 17 GEN 3 SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Brownells Acro Cut Slide for your Glock® 17 Gen 3. This product is designed to enhance your shooting experience by allowing the attachment of an Aimpoint Acro P1 red dot sight. It is essential to follow safety guidelines to ensure safe and effective use of the product. This guide provides important safety information, installation instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure the firearm is unloaded before installing or modifying any components.
- Use only compatible parts and accessories for your Glock® 17 Gen 3.
- Store the slide and any firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the slide and firearm for wear, damage, or malfunction before use.
- Follow all local laws and regulations regarding the use of firearms and accessories.

Specific Safety Precautions for Use

- Ensure your Aimpoint Acro P1 sight is securely mounted before use.
- Do not exceed the manufacturer's recommended specifications for ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye and ear protection when shooting.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation of the Slide:

- Ensure the firearm is unloaded.
- Remove the original slide from your Glock® 17 Gen 3.
- Align the Brownells Acro Cut Slide with the frame of the firearm.
- Carefully slide it into place, ensuring proper fit and alignment.
- Tighten any screws to secure the slide, following the manufacturer's specifications.

2. Mounting the Aimpoint Acro P1:

- Locate the precut mounting slot on the slide.
- Align the Aimpoint Acro P1 sight with the mounting slot.
- Use the included screws to secure the sight in place.
- Ensure the sight is firmly attached and does not move.

3. Checking Functionality:

- After installation, perform a function check to ensure the slide operates smoothly.
- Test the firearm in a safe and controlled environment, following all safety precautions.

4. General Usage:

- Familiarize yourself with the operation of the Aimpoint Acro P1 sight.

- Practice shooting in a controlled environment to ensure comfort and proficiency.

Disposal Instructions

- Dispose of the slide and any firearm components in accordance with local regulations.
- Do not dispose of firearms or components in regular household waste.
- Contact local authorities or licensed waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries or further assistance regarding the Brownells Acro Cut Slide for Glock® 17 Gen 3, please refer to the product packaging or visit the manufacturer's website for contact options.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Brownells Acro Cut Slide for Glock® 17 Gen 3. Thank you for your attention to safety, and happy shooting!
