# UPPER RECEIVER BUSHING FOR HK416 & MR556 Safety Instruction Guide

## Introduction

Thank you for choosing the UPPER RECEIVER BUSHING designed for the Heckler & Koch 416 and MR556 rifles. This guide provides important safety information, installation instructions, and proper usage guidelines to ensure your safety and the effective performance of your firearm.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before performing any installation or maintenance.
- Keep the bushing and all firearm components out of reach of children and unauthorized users.
- Use the product only for its intended purpose as specified in this guide.
- Regularly inspect the bushing for wear or damage before each use.
- Follow all local laws and regulations regarding firearm maintenance and modifications.

## Specific Safety Precautions for Use

- Ensure that the bushing is compatible with your specific model (HK416 or MR556) before installation.
- Wear appropriate safety gear, such as eye protection, when handling firearms and their components.
- Do not attempt to modify the bushing or any other firearm components.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a small punch and hammer may be required for installation.

### 2. Installation:

- Remove the existing op rod bushing from the upper receiver by gently tapping it out with a punch and hammer.
- Clean the area where the new bushing will be installed to ensure a proper fit.
- Align the new bushing with the receiver and gently tap it into place using the punch and hammer. Ensure it is seated properly and securely.

### 3. Usage:

- Once installed, reassemble the upper receiver and ensure all components are functioning correctly.
- Test the firearm in a safe environment to confirm proper operation.
- Regularly check the bushing for any signs of wear or damage during routine maintenance.

## Disposal Instructions

- Dispose of any damaged or worn bushings in accordance with local regulations.
- Do not dispose of the bushing in regular household waste. Instead, consider recycling options or contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the UPPER RECEIVER BUSHING, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for further assistance.

Please ensure that you read and understand these instructions before using the UPPER RECEIVER BUSHING. Your safety and the proper functioning of your firearm depend on following these guidelines.
