# BRN4 Buffer Retainer Safety Instructions

## Introduction

Thank you for choosing the BRN4 Buffer Retainer. This product is designed specifically for use with HK416 and MR556 type firearms. It is essential to read and understand these safety instructions to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- Ensure that this product is used only with compatible firearms, specifically HK416 or MR556 models.
- The BRN4 Buffer Retainer is made from stainless steel and is machined to precise dimensions, ensuring durability and reliability.
- Do not attempt to use this product with AR15/M16 firearms, as it is not compatible.
- Always handle firearms with care and follow all safety practices when using or installing firearm components.
- Keep this product out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before attempting to install or remove the buffer retainer.
- Wear appropriate safety gear, including eye protection, when working with firearms.
- Inspect the buffer retainer for any signs of damage or wear before each use. Do not use if damaged.
- Ensure that the lower receiver of the firearm is equipped with a roll pin retention system for the buffer retainer to function correctly.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is completely unloaded and the magazine is removed.
- Gather necessary tools for installation, including a punch tool for the roll pin if needed.

### 2. Installation

- Locate the buffer retainer hole in the lower receiver of your HK416 or MR556 firearm.
- Insert the BRN4 Buffer Retainer into the buffer retainer hole.
- Use the appropriate roll pin to secure the buffer retainer in place. Ensure it is properly seated and functions correctly.

### 3. Usage

- After installation, check the buffer retainer's functionality by cycling the firearm's action to ensure it operates smoothly.
- Regularly inspect the buffer retainer for wear and tear during routine firearm maintenance.

## Disposal Instructions

- Dispose of any damaged or unusable buffer retainers in accordance with local regulations regarding metal waste.
- Do not dispose of the buffer retainer in regular household waste. Instead, consider recycling options available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the BRN4 Buffer Retainer, please refer to the manufacturer's website or contact your local dealer for assistance. Ensure you have the product details on hand when seeking support.

Thank you for your attention to these safety instructions. Your safety and the proper functioning of your firearm depend on your adherence to these guidelines.
