# .32 Intermediate Chamfering Kit Safety Instructions

## Introduction

Thank you for choosing the .32 Intermediate Chamfering Kit. This guide provides essential safety instructions, usage guidelines, and disposal instructions to ensure safe and effective use of the product. Please read this manual carefully before using the kit.

## General Safety Guidelines

- Always use the kit in accordance with the manufacturer's instructions.
- Keep the kit out of reach of children and vulnerable individuals.
- Inspect the kit for any damage before use. Do not use if damaged.
- Ensure a clean and organized workspace to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the kit.
- Be aware of your surroundings and ensure no one is near you while operating the kit.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the cutter is securely attached before use to prevent accidents.
- Use the kit only for its intended purpose, as outlined in the product specifications.
- Avoid using excessive force when operating the kit to prevent injury or damage.
- Always follow the correct procedures for chamfering to minimize risks.
- Do not exceed the recommended operating speeds for the cutter.
- If you experience any discomfort or pain while using the kit, stop immediately and seek assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials for chamfering.
- Ensure your workspace is clean and welllit.

### 2. Installation:

- Select the appropriate cutter from the kit.
- Securely attach the cutter to the chamfering tool according to the manufacturer's instructions.
- Doublecheck that the cutter is fitted properly and is stable.

### 3. Usage:

- Position the pipe securely in a vice or similar holding device to prevent movement.
- Align the cutter at the desired angle (11 Degrees, 18 Degrees, or 90 Degrees) as indicated in the charts.
- Apply gentle, even pressure while operating the tool to achieve a smooth chamfer.
- Periodically check the cutter for wear and replace if necessary.

### 4. PostUsage:

- Clean the kit after each use to remove any debris or residue.

- Store the kit in a dry place, away from children and pets.

## **Disposal Instructions**

- Dispose of any worn or broken parts in accordance with local regulations.
- Do not dispose of the kit in regular household waste.
- Check for local recycling programs that accept tools and metal parts.

## **Contact Information for Further Support**

For any questions or concerns regarding the .32 Intermediate Chamfering Kit, please refer to the manufacturer's contact information provided with the product packaging. Always ensure you have the latest information regarding product safety and recalls.

Thank you for prioritizing safety while using the .32 Intermediate Chamfering Kit. Your adherence to these guidelines helps ensure a safe and effective experience.
