

"BEEFY"™ BORE BRUSHES - BEEFY BORE BRUSH, BRONZE, .50 CALIBER RIFLE, 3 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

Larger, 10-32 Threads To Handle Tough, Large-Bore Cleaning Jobs

Exclusive "form-through" shank design prevents coupling pull out and really stands up to those tough, big-bore cleaning jobs. Our famous bronze, stainless steel and nylon cleaning brushes with heavy-duty, 10-32 thread couplings that won't pull out no matter how hard you clean. Made for use with the Dewey Large-Bore Coated Rods.

BEEFY™ Bore Brushes Safety Instruction Guide

Introduction

Thank you for choosing the BEEFY™ Bore Brushes. These highquality cleaning tools are designed to provide effective maintenance for your firearms. To ensure safe and proper use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that the bore brush is compatible with your firearm's caliber.
- Inspect the bore brush before each use for any signs of damage or wear.
- Keep the bore brush out of reach of children and unauthorized users.
- Use protective eyewear when cleaning firearms to prevent injury from debris.
- Do not use the bore brush for any purpose other than its intended use.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury due to improper use of cleaning tools.
- Risk of damage to the firearm if the wrong brush is used.
- Potential inhalation of cleaning residue or debris.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before cleaning.
- Use the bore brush only on the appropriate caliber firearm.
- Do not apply excessive force when using the bore brush to prevent damage.
- Clean in a wellventilated area to avoid inhalation of harmful substances.

- **AgeSpecific Warnings:**

- This product is not intended for use by children. Keep out of reach of minors.
- Adults should supervise any use of the bore brush by inexperienced users.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Select the appropriate BEEFY™ Bore Brush for your firearm caliber (.50 Caliber).
3. Attach the bore brush to a Dewey LargeBore Coated Rod by screwing it onto the 1032 thread coupling until secure.

- **Usage:**

1. Insert the bore brush into the firearm's barrel.
2. Gently pull the brush through the barrel, applying even pressure.
3. Repeat as necessary until the barrel is clean.
4. Remove the bore brush and clean any debris from the firearm.
5. Store the bore brush in a safe and dry place after use.

Disposal Instructions

- Dispose of any damaged bore brushes in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it contains hazardous materials.
- Check local guidelines for proper disposal methods for cleaning tools and materials.

Contact Information for Further Support

For any questions or concerns regarding the BEEFY™ Bore Brushes, please refer to the manufacturer's contact information provided with your product. Always ensure that you have the latest updates regarding safety and recalls by checking relevant resources.

By following these guidelines, you can ensure a safe and effective cleaning experience with your BEEFY™ Bore Brushes. Thank you for your attention to safety!
