Safety Instruction Guide for Ed Brown S80 Machined Memory Groove Beavertail Grip Safety

Introduction

Thank you for choosing the Ed Brown S80 Machined Memory Groove Beavertail Grip Safety. This product is designed to enhance the safety and control of your 1911 pistol. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure that the product is installed correctly to prevent any malfunctions.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store your firearm and accessories in a secure place, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you have a clear and safe backdrop when handling your firearm.
- Regularly inspect your firearm and accessories for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use the Ed Brown S80 Grip Safety with compatible 1911 pistols.
- Ensure your firearm is unloaded before installation or maintenance.
- Follow all local laws and regulations regarding firearm modifications and safety devices.
- Avoid using the product if it shows any signs of damage or wear.
- Do not attempt to modify or alter the grip safety beyond its intended design.
- Use caution when handling firearms, particularly when installing or adjusting safety devices.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Remove the existing grip safety from the pistol by following the manufacturer's instructions.
- Align the Ed Brown S80 Machined Memory Groove Beavertail Grip Safety with the mounting points on the frame of the pistol.
- Securely fasten the grip safety in place, ensuring it is properly seated and functions correctly.
- Test the grip safety by pulling the trigger while holding the grip safety down to ensure it operates as intended.

2. Usage:

- Grip the firearm firmly, ensuring your hand is positioned correctly on the grip safety.
- The machined grooves on the grip safety provide a tactile reference for proper hand placement.
- Practice safe handling procedures at all times while using your firearm.
- Regularly check the grip safety for proper function and any signs of wear.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm accessories.
- If the grip safety is damaged or no longer functional, do not attempt to use it.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Ed Brown S80 Machined Memory Groove Beavertail Grip Safety, please refer to the manufacturer's contact information provided with your product.

Please ensure you adhere to all safety guidelines and practices while using your Ed Brown S80 Grip Safety. Your safety and the safety of others is paramount. Thank you for your attention to these important instructions.
