Safety Instruction Guide for TRIGGER HOUSING W/EJECTOR

Introduction

Thank you for purchasing the TRIGGER HOUSING W/EJECTOR designed for Glock® models 17, 19, 26, and 34. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure a safe and effective experience with your product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used only in accordance with the manufacturer's specifications.
- Always keep firearms and related products out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the TRIGGER HOUSING W/EJECTOR with compatible Glock® models as specified: PART# 322: Glock® 17, 19, 26, 34 (9mm Luger and .380 ACP) PART# 1896: Glock® 22, 23, 27, 31, 32, 33, 35 (.40, .357 calibers) PART# 8203: Glock® 20, 21, 29, 30 (various models)
- Do not modify the TRIGGER HOUSING W/EJECTOR in any way.
- Ensure that the firearm is unloaded before installation or maintenance.
- Follow all safety protocols for handling firearms during installation and usage.
- Use protective eyewear when installing or handling the trigger housing.
- Be aware of the potential hazards associated with improper use, including accidental discharge.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if required).

2. Installation

- Remove the existing trigger housing from the firearm according to the manufacturer's instructions.
- Carefully install the new TRIGGER HOUSING W/EJECTOR by following these steps: Align the housing with the firearm's frame. Securely fasten the housing in place as per the Glock® specifications. Verify that the ejector is properly seated and functioning.

3. PostInstallation Check

- After installation, conduct a function check of the firearm to ensure everything operates correctly.
- Test the trigger to ensure it is responsive and that the ejector functions properly.

4. Usage

- Always treat the firearm as if it is loaded.
- Maintain focus and awareness while handling the firearm.
- Follow all safety protocols as outlined in your firearm's user manual.

Disposal Instructions

- Dispose of the TRIGGER HOUSING W/EJECTOR in accordance with local regulations regarding electronic and firearm components.
- Do not dispose of the product in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any questions or concerns regarding the TRIGGER HOUSING W/EJECTOR, please refer to the manufacturer's website or contact your local dealer for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your TRIGGER HOUSING W/EJECTOR. Thank you for your attention to safety.
