## Bentz Chambered For Improved Accuracy

Heavy contour, premium-grade "Bentz" chambered .22 LR barrel provides an immediate improvement in accuracy over your original factory barrel. Close-tolerance Bentz chamber combines the accuracy of a match grade chamber with the reliable cycling of a standard factory chamber. Extra-heavy, untapered .920" O.D. provides maximum stability for greater shot-to-shot consistency. Use with standard or match grade ammunition; not for use with CCI Stinger ammunition. Minor fitting to stock may be required. Chrome-moly models have blue finish and are available in an 18" length with dished crown or a 16 ½" length with ½"-28 tpi threaded muzzle for adding a compensator. Stainless model available in smooth 18" long barrel or patented helical fluting for greater heat dissipation, less weight, and improved barrel harmonics. Both have dished crown. SPECS: 4140 chrome-moly steel blued, or 416 stainless steel (SS), natural matte finish. .920" (2.34cm) O.D. 18" long (45.7cm). Blued barrel w/threaded muzzle - 16½" (42cm) long. ½"-28 tpi thread.

## Attributes

- Name: [E.R. SHAW 10/22® FLUTED TARGET BARREL, SS](#)

# **RUGER® 10/22® TARGET BARRELS E.R. SHAW 10/22® FLUTED TARGET BARREL Safety Instruction Guide**

## **Introduction**

Thank you for choosing the RUGER® 10/22® TARGET BARRELS E.R. SHAW 10/22® FLUTED TARGET BARREL. This guide provides essential safety instructions and guidelines to ensure safe and effective use of your product. It is important to read and understand these instructions before installation and use.

## **General Safety Guidelines**

- Ensure the product is used only for its intended purpose.
- Always handle firearms and ammunition responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and contact a qualified professional.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Use only standard or match grade ammunition with this barrel; do not use CCI Stinger ammunition.
- Ensure that the barrel is properly fitted to the firearm before use.
- Minor fitting to the stock may be required; consult a qualified gunsmith if unsure.
- Always check that the firearm is unloaded before performing any maintenance or installation.
- Follow the manufacturer's instructions for installation and usage to avoid accidents.
- Be aware of your surroundings and ensure a safe shooting environment.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the original factory barrel from the firearm following the manufacturer's instructions.
- Carefully fit the E.R. SHAW 10/22® FLUTED TARGET BARREL onto the receiver.
- If necessary, perform minor fitting to the stock. Consult a qualified gunsmith if needed.
- Securely tighten all screws and fittings as per the manufacturer's specifications.

### **2. Usage:**

- Load the firearm with appropriate ammunition.
- Always check that the barrel is clear of obstructions before firing.
- Use the firearm in a safe and controlled environment.
- Maintain proper shooting stance and ensure a clear line of sight.
- After use, clean the barrel and inspect for any signs of wear or damage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management facility for information on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the RUGER® 10/22® TARGET BARRELS E.R. SHAW 10/22® FLUTED TARGET BARREL, please refer to the manufacturer's contact information provided with your product. Always consult a qualified professional for any technical assistance or repairs.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your RUGER® 10/22® TARGET BARRELS E.R. SHAW 10/22® FLUTED TARGET BARREL. Thank you for your attention to safety.
