Safety Instruction Guide for .635 Pencil Thread Protector 1/228 and .640 Pencil Thread Protector 1/228

Introduction

Thank you for choosing the .635 Pencil Thread Protector and .640 Pencil Thread Protector from Yankee Hill Machine Co., Inc. These products are designed to protect your rifle's muzzle threads and crown from unwanted damage. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always ensure proper installation of the thread protector before using your rifle.
- Inspect the thread protector for any signs of damage or wear before each use.
- Keep the thread protector out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to damage to the rifle's muzzle threads.
- Failure to use the thread protector can result in damage to the crown.
- Use of a damaged thread protector may pose a risk during handling.

• Avoiding Hazards:

- Always ensure the rifle is unloaded before installing or removing the thread protector.
- Use only the recommended thread size (1/228) for your rifle.
- Do not force the thread protector onto the threads; it should fit snugly without excessive force.
- Avoid using the thread protector in extreme conditions (e.g., high heat, moisture) that may compromise its integrity.

Instructions for Installation and Usage

1. Preparation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Gather necessary tools, if required, for installation.

2. Installation:

- Align the thread protector with the muzzle threads of the rifle.
- Gently screw the thread protector onto the threads in a clockwise direction.
- Ensure it is securely fastened but do not overtighten.

3. Removal:

- To remove, turn the thread protector counterclockwise until it is free from the threads.
- Store the thread protector in a safe place when not in use.

4. Usage:

- Always use the thread protector when transporting or storing your rifle to prevent damage.
- Regularly check the thread protector for wear or damage before each use.

Disposal Instructions

- Dispose of the thread protector in accordance with local regulations.
- If the thread protector is damaged, do not attempt to repair it; dispose of it safely.
- Recycle materials where possible, following local recycling guidelines.

Contact Information for Further Support
