RSG 3 Interchangeable Lens Shooting Glasses

Safety Instruction Guide

Introduction

Thank you for choosing the RSG 3 Interchangeable Lens Shooting Glasses by Radians. This guide provides essential safety information to ensure the safe use of your shooting glasses. Please read this guide thoroughly to understand the safety precautions, usage instructions, and disposal methods.

General Safety Guidelines

To ensure your safety and the longevity of your shooting glasses, please follow these general safety guidelines:

- Always inspect your shooting glasses before use for any signs of damage or wear.
- Use the glasses only for their intended purpose, which is shooting sports and related activities.
- Keep the glasses out of reach of children and pets to prevent accidental damage or injury.
- Do not use the glasses if they are scratched, cracked, or damaged.
- Store the glasses in a protective case when not in use to prevent scratches and other damage.

Specific Safety Precautions for Use

When using the RSG 3 Interchangeable Lens Shooting Glasses, please consider the following safety precautions:

- **Lens Selection:**
 - Use clear lenses for maximum light transmission in indoor settings.
 - Use amber lenses for low light conditions to enhance contrast.
 - Use smoke lenses for bright sunny days to reduce glare.
- **Proper Fit:** Ensure that the glasses fit securely on your face to avoid slipping or falling during use.
- **Avoid Modifications:** Do not attempt to modify the glasses or lenses, as this may compromise their safety features.
- **Environmental Awareness:** Be aware of your surroundings while using the glasses, especially in shooting ranges or outdoor environments.

Instructions for Installation and Usage

To ensure optimal performance and safety while using your RSG 3 Shooting Glasses, follow these instructions:

1. **Lens Change Procedure:**
 - To change lenses, carefully remove the existing lens by pressing the release buttons located on the frame.
 - Align the new lens with the frame and press until you hear a click, indicating it is securely in place.
2. **Wearing the Glasses:**
 - Place the glasses on your face and adjust the temples to fit comfortably and securely.
 - Ensure that the lenses are clear of obstructions and are clean before use.
3. **Cleaning Instructions:**
 - Use the provided cleansing cloth to clean the lenses. Avoid using abrasive materials that may scratch the lenses.
 - Do not use harsh chemicals or solvents that may damage the lens material.
4. **Storage:**
 - After use, store the glasses in the protective case provided to prevent damage.
 - Keep the glasses in a cool, dry place away from direct sunlight.

Disposal Instructions

When the RSG 3 Interchangeable Lens Shooting Glasses reach the end of their life cycle, please dispose of them responsibly:

- Check local regulations for the proper disposal of plastic and metal materials.
- If the glasses are damaged beyond repair, consider recycling the materials where possible.
- Do not throw the glasses in regular household waste if they can be recycled.

Contact Information for Further Support

For any inquiries or further assistance regarding the RSG 3 Interchangeable Lens Shooting Glasses, please refer to the contact information provided by your retailer or manufacturer.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience while using your RSG 3 Interchangeable Lens Shooting Glasses. Remember to stay informed about product recalls and safety updates through the EU's Safety Gate platform, and report any unsafe products to the appropriate authorities. Thank you for prioritizing safety!
