# Safety Instruction Guide for AR15/M16 Ambidextrous Charging Handle

## Introduction

Thank you for choosing the AR15/M16 Ambidextrous Charging Handle from LWRC International. This guide provides essential safety information to ensure the safe use and installation of your charging handle. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with all applicable laws and regulations.
- Always handle firearms with care and treat them as if they are loaded.
- Keep the charging handle and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your charging handle for signs of wear or damage. If any issues are found, discontinue use immediately.
- Do not use the charging handle in combination with any other noncompatible firearm components.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when handling firearms.
- Ensure the firearm is pointed in a safe direction when using the charging handle.
- Do not attempt to modify the charging handle or any associated components.
- Be aware of your surroundings and ensure that no one is in close proximity when using the firearm.
- If you are unsure about the installation or use of the charging handle, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. **Ensure Safety:** Before installation, make sure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Charging Handle:**
  - Open the upper receiver.
  - Remove the existing charging handle by pulling it back and lifting it out of the receiver.
3. **Install the New Charging Handle:**
  - Align the new charging handle with the receiver.
  - Slide it into place, ensuring it fits securely.
4. **Test the Charging Handle:**
  - Pull back on the charging handle to ensure it operates smoothly.
  - Ensure that it can be used from both sides without obstruction.

### Usage

- To operate the charging handle, grasp it firmly and pull it back towards the rear of the firearm.
- Release the handle to allow it to return to its original position.
- Practice using the charging handle to become familiar with its operation.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations.

- Do not dispose of the charging handle in regular household waste.
- Contact your local waste management authority for information on proper disposal methods.
