

DRY FIRE DEVICE - WHITE OAK ARMAMENT DRY FIRE DEVICE FOR AR-15/M16

[Gunsmith Tools](#) > [Rifle Tools](#) > [Trigger Tools](#)

This device was created to give you a realistic dry fire experience while ensuring you will not damage your equipment. It installs through the top of the magwell before placing the upper onto your lower. Very easy to use. A lever on the side (towards the shooter) allows you to reset the trigger without breaking your position. The size and profile are the same as the 20 round magazine used in highpower. A great option for your off-season training. A handy tool for any coach. Works with any AR-15.

Safety Instruction Guide for DRY FIRE DEVICE WHITE OAK ARMAMENT DRY FIRE DEVICE FOR AR15/M16

Introduction

Thank you for purchasing the DRY FIRE DEVICE from WHITE OAK ARMAMENT. This device is designed to provide a realistic dry fire experience while ensuring the safety of your equipment. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- Always treat the device as if it is loaded.
- Ensure that the firearm is pointed in a safe direction during use.
- Only use the device with compatible firearms (AR15/M16).
- Keep the device out of reach of children and unauthorized users.
- Regularly inspect the device for any signs of wear or damage before use.
- If the device malfunctions, discontinue use immediately and contact the manufacturer for support.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing the dry fire device.
- Do not attempt to modify or alter the device in any way.
- Always follow the manufacturer's instructions for installation and usage.
- Use the device in a controlled environment to minimize distractions.
- Be aware of your surroundings and ensure that no one is in the line of fire.

Instructions for Installation and Usage

Installation

1. **Prepare Your Firearm:** Ensure that your AR15/M16 is completely unloaded.
2. **Install the Device:**
 - Insert the dry fire device through the top of the magwell.
 - Ensure it is securely in place before proceeding.
3. **Attach the Upper:** Once the device is installed, attach the upper receiver to the lower receiver.

Usage

1. **Resetting the Trigger:**
 - Locate the lever on the side of the device (towards the shooter).
 - Gently pull the lever to reset the trigger without breaking your shooting position.
2. **Practice Dry Firing:** You can now practice dry firing safely with the device installed.
3. **PostUse:** After practicing, remove the device by reversing the installation steps.

Disposal Instructions

- Dispose of the dry fire device in accordance with local regulations.
- Do not dispose of the device in regular household waste.
- If the device is damaged or no longer functioning, contact the manufacturer for proper disposal methods.

Contact Information for Further Support

For any questions, concerns, or support regarding the DRY FIRE DEVICE, please contact WHITE OAK ARMAMENT through the provided communication channels.

By following these guidelines, you can ensure a safe and effective experience with your DRY FIRE DEVICE. Thank you for your attention to safety.
