

AR-15 L5AWM TRANSLUCENT SMOKE MAGAZINE 20-RD - LANCER SYSTEMS AR-15 L5AWM MAGAZINE 223/5.56 20RD POLYMER TRANSLUCENT SMOKE

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Advanced Warfighter Magazines (AWM) fill the gap between the current metal and polymer magazine designs. These lightweight molded polymer magazines stand up to rough handling and extreme conditions of tactical operations, including heat and impact of sustained full-auto fire. Permanently attached, wrap-around feed lips are made from a single piece of precision formed, hardened steel that is PTFE coated for corrosion resistance. They help promote smooth ammo movement and will not deform when the magazine is stored fully loaded over a long period of time. Tested to withstand temperature extremes of -50 degrees F to +180 degrees F and a 5 foot drop fully loaded, onto concrete without impairment of function. Non-reflective exterior has molded-in ridges and enhanced texturing that improve the structural strength and provide a solid grasping surface. Drops free from mil-spec magwells; load to full capacity and insert into weapons with bolt closed. 30-round model fits pouches designed for standard US-GI-spec magazines. Anti-tilt follower and constant-radius body curve helps ensure smooth, snag-free feeding. Hard polymer base plate provides a positive gripping surface for extracting mag from tight-fitting pouches and removes easily for disassembly and cleaning.

Attributes

- Name: [LANCER SYSTEMS AR-15 L5AWM MAGAZINE 223/5.56 20RD POLYMER TRANSLUCENT SMOKE](#)
- Manufacturer: [LANCER SYSTEMS](#)
- Product no.: 100022994
- Mfr. No.:
- Action Type: -
- Capacity: 20-Round
- Cartridge: 223 Remington,5.56 mm NATO
- Finish: Smoke Gray
- Material: Polymer
- Weapon type: AR-15
- Quantity: 10
- Delivery weight: 1.134kg

AR15 L5AWM Translucent Smoke Magazine

Safety Instruction Guide

Introduction

Thank you for choosing the AR15 L5AWM Translucent Smoke Magazine. This guide provides essential safety instructions to ensure the safe use and handling of your magazine. It is important to read and understand these guidelines to prevent accidents and ensure optimal performance.

General Safety Guidelines

- Always treat the magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Use the magazine only with compatible firearms as specified by the manufacturer.
- Regularly inspect the magazine for any signs of damage or wear.
- Store the magazine in a cool, dry place away from direct sunlight and extreme temperatures.
- Follow all local laws and regulations regarding firearm and magazine ownership and use.

Specific Safety Precautions for Use

- Ensure that the magazine is fully seated in the firearm before use.
- Do not attempt to modify or disassemble the magazine unless following the manufacturer's instructions.
- Avoid overloading the magazine beyond its specified capacity of 20 rounds.
- Do not expose the magazine to harsh chemicals or solvents that may degrade the polymer material.
- Always keep the firearm pointed in a safe direction when loading or unloading the magazine.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installation.
- Align the magazine with the magazine well of the firearm.
- Press the magazine firmly into the well until it clicks into place.

2. Loading the Magazine:

- Use only compatible ammunition (223 Remington or 5.56 mm NATO).
- Push the follower down and insert the rounds one at a time, ensuring they are seated properly.
- Do not exceed the 20round capacity.

3. Using the Magazine:

- Insert the loaded magazine into the firearm with the bolt closed.
- Confirm that the magazine is securely locked in place before firing.
- After use, remove the magazine by pressing the magazine release button and pulling the magazine out.

4. Unloading the Magazine:

- Point the firearm in a safe direction.
- Remove the magazine from the firearm.
- Eject any remaining rounds from the magazine by pushing the follower down.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding the disposal of polymer and metal materials.
- Do not incinerate the magazine as it may release harmful substances.
- If the magazine is damaged or no longer functional, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 L5AWM Translucent Smoke Magazine, please refer to your local regulatory authority or the manufacturer's customer support resources.

By following these safety instructions, you can ensure the safe and effective use of your AR15 L5AWM Translucent Smoke Magazine. Always prioritize safety and responsible handling of all firearm accessories.
