

# PMAG 5 AC L STANDARD AICS LONG ACTION MAGAZINE - MAGPUL PMAG 5 AC L STANDARD .30-06 SPRINGFIELD 5RD FOR AICS LA BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

The PMAG 5 AC L, Standard is a reliable and durable polymer magazine for .30-06 based family of cartridges and is compatible with long action AICS-spec bottom metal, to include the Bolt Action Magazine Well 700L for the Hunter 700L Stock. Built using M3 technology, this magazine is advanced in both material and manufacturing processes providing an economical, lightweight, durable and reliable single-stack bolt action magazine. It comes standard as a 5-round capacity magazine for hunting regulation compliance, but the follower can be easily modified by the user to increase the capacity to six rounds for field, competition, or combat use. Made in the USA

**FEATURES** Compatible with long action AICS (Accuracy International Chassis Systems) pattern bottom metal and cartridges built on a 0.470" case head such as .30-06 Springfield, .25-06 Remington, .270 Winchester, .280 Remington, 8mm-06, and others\* 5-round capacity, but the follower leg can be easily clipped to increase the capacity by one extra cartridge Next-generation impact and crush resistant polymer construction Self-lubricating follower for increased reliability Long life stainless steel spring Paint pen dot matrix panels on the bottom of the body to allow for identification marking Flared floorplate aids magazine handling and is easy to disassemble for maintenance

**NOTE:** Not recommended for use with short action cartridges such as the 7.62x51/.308 Winchester

# PMAG 5 AC L Standard AICS Long Action Magazine Safety Instructions

## Introduction

Thank you for choosing the PMAG 5 AC L Standard AICS Long Action Magazine by MAGPUL. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your magazine. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure the magazine is compatible with your firearm before use.
- Always handle firearms and magazines with care, treating every firearm as if it is loaded.
- Store the magazine in a safe, secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage before use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the PMAG 5 AC L with long action AICSpec bottom metal.
- Do not attempt to use the magazine with short action cartridges, such as the 7.62x51/.308 Winchester.
- Modify the follower leg only if you are experienced and understand the implications of increasing the magazine capacity.
- Always ensure that the magazine is fully seated in the firearm before firing.
- Do not exceed the magazine's capacity to avoid malfunctions.
- Avoid exposing the magazine to extreme temperatures and harsh chemicals, which can affect its performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of your firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

### 2. Loading:

- Use only .3006 Springfield or compatible cartridges.
- To load the magazine, press down on the follower and insert the cartridges one by one.
- Ensure the cartridges are seated properly and do not exceed the magazine's capacity.

### 3. Firing:

- Always follow safe firearm handling practices.
- Check that the magazine is securely in place before firing.
- Fire the firearm as per the manufacturer's guidelines.

### 4. Unloading:

- Remove the magazine from the firearm by pressing the magazine release button.
- Ensure the firearm is pointed in a safe direction.

- Remove any remaining cartridges from the magazine.

## **Disposal Instructions**

- Dispose of the magazine in accordance with local regulations for polymer and metal products.
- Do not dispose of the magazine in regular household waste.
- Consider recycling the materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the PMAG 5 AC L Standard AICS Long Action Magazine, please refer to the manufacturer's website or customer service for assistance.

Thank you for your attention to these safety guidelines. Enjoy using your PMAG 5 AC L responsibly and safely.
