

AR 308 PR-10 BARREL CALIBER MATCHED GAS SYSTEM CARBON FIBER - PROOF RESEARCH 6.5 CREEDMOOR 1-8 TWIST 22" CARBON FIBER BARREL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrels](#)

PROOF Research designed these long range specific barrels that feature their rifle length plus 2" (CAMGAS) gas system to moderate bolt carrier velocity and dwell time issues that previously plagued Creedmoor and 260 AR barrels. The proprietary gas tube is included, but requires use of a JP enhanced High Pressure bolt for best function. (452-000-113) PROOF Research's match-grade carbon fiber barrels are stronger, lighter, and as accurate as the finest precision steel barrels and will maintain their performance in the harshest conditions. Up to 64% lighter than traditional steel barrels Match-grade accuracy Improved heat dissipation for cooler and longer lasting barrels No point-of-impact shift during high-volume fire Reduced harmonic barrel vibration Unprecedented durability

Attributes

- Name: [PROOF RESEARCH 6.5 CREEDMOOR 1-8 TWIST 22" CARBON FIBER BARREL](#)
- Manufacturer: [PROOF RESEARCH](#)
- Product no.: 100023305
- Mfr. No.: 100639
- Barrel Weight: 3.0 lbs
- Cartridge: 6.5 Creedmoor
- Finish: Carbon Fiber
- Gas System Length: Camgas,Rifle +2
- Length: 22"
- Muzzle Threads: 5/8-24
- Twist: 1-8"
- Weapon type: AR .308
- Delivery weight: 1.338kg
- Shipping height: 51mm
- Shipping width: 51mm
- Shipping length: 584mm
- UPC: 843068100639

Safety Instruction Guide for AR 308 PR10 Barrel

Introduction

Thank you for choosing the AR 308 PR10 Barrel. This guide provides important safety information and instructions for the proper use of your barrel. Please read this guide thoroughly to ensure safe operation and maintenance.

General Safety Guidelines

- Always handle the barrel with care to prevent injury.
- Ensure that the barrel is compatible with your firearm before installation.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Store the barrel in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel for signs of wear or damage before use.
- Report any unsafe products or accidents to local authorities.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including eye protection, when handling or installing the barrel.
- Ensure the firearm is unloaded before installation or maintenance.
- Do not exceed the recommended specifications for ammunition type and load.
- Be aware of the potential for increased recoil when using matchgrade ammunition.
- Avoid using the barrel in extreme temperatures or conditions that may affect performance.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the necessary tools for installation, including a torque wrench and appropriate headspace gauges.
- Read the firearm's manual for specific instructions related to barrel installation.

2. Installation Steps:

- Remove the existing barrel from the firearm according to the manufacturer's instructions.
- Clean the barrel extension and upper receiver to remove any debris or old lubricant.
- Align the new barrel with the upper receiver, ensuring the gas port is positioned correctly.
- Torque the barrel nut to the manufacturer's specifications using a torque wrench.
- Install the proprietary gas tube included with the barrel.
- Ensure that the bolt carrier group is compatible and properly installed.

3. Usage:

- Before firing, check that the barrel is securely attached and that all components are functioning correctly.
- Use only the recommended ammunition type (6.5 Creedmoor) for optimal performance.
- Monitor the barrel for any signs of overheating during extended firing sessions.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged beyond use, consider recycling the material where possible.

- Do not dispose of the barrel in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the AR 308 PR10 Barrel, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the AR 308 PR10 Barrel!
