MLOK QD Sling Swivel Mount Safety Instruction Guide

Introduction

Thank you for choosing the MLOK QD Sling Swivel Mount by Daniel Defense. This product is designed to enhance your experience with the MFR Rail system, providing a secure and ambidextrous attachment point for slings. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the product is compatible with your equipment. The MLOK QD Sling Swivel Mount is not compatible with MFR XL Rail or any other MLOK handguards.
- Inspect the product before each use for any signs of wear or damage. Do not use if any part is damaged.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow all local laws and regulations regarding the use of tactical accessories.

Specific Safety Precautions for Use

- Ensure that the sling is properly attached to the swivel mount to prevent accidental detachment during use.
- Avoid overtightening the mount during installation, as this may lead to damage or failure.
- Do not exceed the recommended weight limit for the sling and mount to prevent failure.
- Be aware of your surroundings and ensure that the sling does not obstruct your movement or visibility.

Instructions for Installation and Usage

1. Tools Required:

- 1/8" Allen wrench (included with the product).

2. Installation Steps:

- Locate the designated MLOK slots on your MFR Rail system.
- Align the MLOK QD Sling Swivel Mount with the slot.
- Insert the included screws through the mount into the MLOK slots.
- Using the 1/8" Allen wrench, tighten the screws securely, but do not overtighten.

3. Using the Sling Swivel:

- Attach your sling to the QD swivel by pressing the push button and inserting the sling attachment point.
- Release the button to secure the sling in place.
- To detach the sling, press the button and pull the sling away from the mount.

4. PostInstallation Check:

- After installation, check that the mount is securely attached and that the sling is functioning properly.
- Perform a quick test by gently pulling on the sling to ensure it is securely fastened.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, consider recycling options where available.
- If the product is damaged beyond use, ensure it is disposed of in a manner that prevents accidental injury to others.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation of the MLOK QD Sling Swivel Mount, please refer to the contact details provided with your purchase or on the manufacturer's website.

Thank you for your attention to these safety instructions. Enjoy your experience with the MLOK QD Sling Swivel Mount, and always prioritize safety in your activities.
