[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

BROWNELLS SIG P320 9MM FULL SIZE BARRELS Brownells SIG Sauer P320 9mm full-size barrels provide a new level of aftermarket support for owners of SIG's popular modular pistol platform, giving them the chance to do more and perform better with their handgun. The Brownells Sig Sauer P320 9mm full-size barrels are completely made in the United States from solid bar stock of 416-R certified stainless steel. The steel is completely relieved of all stresses and are threaded for suppressor use. Rifled with 1:10 twist rate Features 11-degree target crown Thread pitch: 1/2x28 TPI Nitride-treated for corrosion resistance DOES NOT COME WITH THREAD PROTECTORS The Brownells Sig Sauer P320 9mm full-size barrels also features conventional land-and-groove rifling instead of polygonal rifling. NOTE: Does NOT work with LCI

Safety Instruction Guide for SIG P320 9MM FullSize Barrels

Introduction

Thank you for choosing the SIG P320 9MM FullSize Barrels from Brownells. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new barrel. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the barrel is compatible with your specific firearm model.
- Only use ammunition that is specified for use with the SIG P320.
- Store the barrel in a secure location, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation can lead to malfunctions.
- Use of incorrect ammunition may cause damage or injury.
- Failure to maintain the barrel can lead to corrosion or degradation.

• Avoiding Hazards:

- Ensure proper installation by following the instructions carefully.
- Only use 9mm Luger cartridges with your SIG P320.
- Regularly clean and maintain the barrel to prevent corrosion.
- Use appropriate eye and ear protection while shooting.

• AgeRelated Warnings:

- This product is intended for use by individuals aged 18 and over.
- Keep the barrel and all firearms out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from your SIG P320 by following the manufacturer's instructions.
- Carefully insert the Brownells SIG P320 9MM FullSize Barrel into the slide.
- Ensure that the barrel is seated correctly and securely.
- Reassemble the firearm according to the manufacturer's instructions.

2. Usage:

- Before firing, conduct a function check of the firearm to ensure proper operation.
- When ready to shoot, ensure that you are in a safe and designated shooting area.

- Always follow proper shooting practices and guidelines.
- After use, clean the barrel according to the recommended maintenance practices.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations.
- Do not dispose of the barrel in regular household waste.
- Contact local recycling or hazardous waste disposal facilities for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding your SIG P320 9MM FullSize Barrels, please refer to the manufacturer's website or customer service resources.

Final Note

Your safety and the safety of others is paramount. By following these guidelines, you can ensure a safe and enjoyable experience with your SIG P320 9MM FullSize Barrels. Always prioritize safety and responsibility when handling firearms.
