# AR15 MPC DropIn Triggers Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 MPC DropIn Trigger by Velocity Triggers. This guide provides essential safety instructions to ensure the safe and effective use of your trigger. Please read and understand this guide before installation and use.

## General Safety Guidelines

- Ensure that your firearm is unloaded before installing or handling the trigger.
- Always follow local laws and regulations regarding firearm modifications and usage.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Use eye protection and hearing protection when handling firearms.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the AR15 MPC DropIn Trigger with compatible AR15 platforms.
- Ensure that the pull weight is adjusted according to your shooting preferences and skill level.
- Do not exceed the recommended pull weight of 4 pounds.
- Avoid using the trigger in wet or muddy conditions as this may affect performance.
- Always ensure that the trigger is securely installed before use.
- If you experience any malfunction or unusual behavior, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool, hammer, and a clean workspace.

#### 2. Remove the Existing Trigger

- Use the punch tool to remove the pins securing the existing trigger.
- Carefully detach the trigger from the lower receiver.

#### 3. Install the New Trigger

- Align the Velocity Triggers MPC DropIn Trigger with the trigger housing.
- Insert the trigger into the housing and ensure it fits snugly.
- Reinsert the pins to secure the trigger in place.

#### 4. Adjust Pull Weight

- Follow the manufacturer's instructions to adjust the pull weight between 3-4 pounds.
- Test the trigger to ensure it operates smoothly.

## 5. Final Inspection

- Ensure that all components are secure and properly installed.
- Perform a function check to verify that the trigger operates correctly.

## Usage Instructions

- Always treat your firearm as if it is loaded.
- Before shooting, ensure that the area is safe and free from obstructions.
- Maintain a proper shooting stance and grip when using your firearm.
- Regularly practice safe handling and shooting techniques.

## Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact a local waste management facility for guidance on proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the AR15 MPC DropIn Trigger, please refer to the appropriate support channels available in your region. Always ensure that you are following the latest safety guidelines and recommendations.

Thank you for prioritizing safety and compliance with all regulations. Enjoy your shooting experience responsibly!
