# Safety Instruction Guide for AR15 Gunner Big Bore Barrel .458 SOCOM

## Introduction

Thank you for choosing the Faxon Firearms Gunner Big Bore Barrel, designed for use with AR15 platform rifles. This barrel is specifically chambered for the .458 SOCOM cartridge and is built to withstand the demands of shooting large caliber ammunition. This guide provides essential safety instructions to ensure safe and effective use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store firearms and ammunition securely, out of reach of children and unauthorized users.
- Wear appropriate safety gear, including eye and ear protection, when handling or shooting firearms.
- Ensure that the firearm is pointed in a safe direction at all times.
- Only use the barrel with compatible firearms and ammunition.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Do not exceed the recommended cartridge specifications for the .458 SOCOM.
- Ensure that the barrel is properly installed on the rifle before use.
- Check that the muzzle is clear of obstructions before firing.
- Avoid using handloads or reloaded ammunition that does not meet safety specifications.
- Be aware of your surroundings and ensure a clear shooting area.
- If a misfire occurs, wait at least 30 seconds before attempting to clear the firearm.
- Never place your finger on the trigger until you are ready to shoot.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and the safety is engaged.
- Remove the existing barrel from the AR15 platform according to the manufacturer's instructions.
- Align the Faxon Firearms Gunner Big Bore Barrel with the upper receiver.
- Securely fasten the barrel using the appropriate tools and follow the torque specifications provided by the manufacturer.
- Attach the gas block and gas tube, ensuring they are properly aligned and secured.
- Verify that the barrel is properly seated and that all components are securely fastened.

### 2. Usage

- Load the firearm with .458 SOCOM cartridges only.
- Engage the safety until you are ready to fire.
- Aim at the intended target and ensure the area is clear.
- Disengage the safety and pull the trigger to fire.
- After shooting, check the barrel for any signs of fouling or obstruction.
- Clean and maintain the barrel regularly to ensure optimal performance.

## **Disposal Instructions**

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged beyond repair, contact a certified firearms disposal service to ensure safe and responsible disposal.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or concerns about the Faxon Firearms Gunner Big Bore Barrel, please refer to the manufacturer's official website or customer support resources.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Faxon Firearms Gunner Big Bore Barrel. Always prioritize safety and compliance with local laws and regulations. Thank you for choosing Faxon Firearms.
