

# **LIGHT WEIGHT SCOPE MOUNT - TALLEY BROWNING X-BOLT HIGH 30MM SCOPE MOUNTS**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## **When Every Ounce Counts; The Strength Of Steel Without The Weight**

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

## **Attributes**

- Name: [TALLEY BROWNING X-BOLT HIGH 30MM SCOPE MOUNTS](#)

# LIGHT WEIGHT SCOPE MOUNT TALLEY BROWNING XBOLT HIGH 30MM SCOPE MOUNTS Safety Instruction Guide

## Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT TALLEY BROWNING XBOLT HIGH 30MM SCOPE MOUNTS. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the scope mount.

## General Safety Guidelines

- **Product Safety:** This scope mount is designed to meet safety standards for nonfood products. Always ensure proper installation and usage to minimize risks.
- **Enhanced Recalls:** Stay informed about any recalls. Follow the instructions provided in case of a recall notice.
- **Online Shopping:** If purchased online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is stored out of reach of children.
- **EU Contact Point:** For safety inquiries, consult the retailer or manufacturer as they should provide an EU-based contact.
- **Rapid Alerts:** Check the EU's Safety Gate platform for updates on any unsafe products.

## Specific Safety Precautions for Use

- **Installation:** Ensure the mount is installed by a qualified individual to prevent accidents.
- **Weight Limit:** Be aware of the weight limit; do not exceed the recommended specifications for the mount.
- **Compatibility:** Confirm that the scope mount is compatible with your firearm model. Refer to the specifications provided.
- **Inspection:** Regularly inspect the mount for any signs of wear or damage. Replace if any issues are found.
- **Use Appropriate Tools:** Use the correct tools (e.g., TORX screws) as specified for installation to avoid stripping screws or damaging the mount.
- **Avoid Modifications:** Do not modify the scope mount in any way, as this can compromise safety and performance.

## Instructions for Installation and Usage

### Installation Steps

1. **Gather Tools:** Ensure you have the necessary tools, including a TORX screwdriver.
2. **Prepare the Firearm:** Ensure the firearm is unloaded and pointed in a safe direction.
3. **Attach Base:** Align the base of the scope mount with the mounting holes on the receiver.
4. **Secure Base:** Using the TORX screws, secure the base to the receiver. Do not overtighten.
5. **Attach Scope:** Place the scope onto the mount, ensuring it is centered.
6. **Secure Scope:** Attach the ring caps and use the TORX screws to secure the scope in place. Ensure it is tight but not overtightened.
7. **Final Inspection:** Doublecheck all screws and ensure everything is secure before use.

## Usage Guidelines

- **Check Alignment:** Before shooting, check that the scope is properly aligned and securely mounted.
- **Regular Maintenance:** Clean and maintain the scope and mount regularly to ensure optimal performance.
- **Safe Handling:** Always follow firearm safety rules when using the mounted scope.

## Disposal Instructions

- **Environmental Considerations:** Dispose of the scope mount responsibly. Do not dispose of in regular household waste.
- **Recycling:** Check local regulations for recycling aluminum products. Many areas have specific recycling programs for metals.
- **Manufacturer Guidance:** Follow any specific disposal instructions provided by the manufacturer.

## Contact Information for Further Support

For any questions or concerns regarding the LIGHT WEIGHT SCOPE MOUNT TALLEY BROWNING XBOLT HIGH 30MM SCOPE MOUNTS, please refer to the retailer or manufacturer for assistance. They should provide the necessary support and information.

By following this safety instruction guide, you can ensure the safe and effective use of your scope mount. Always prioritize safety and stay informed about best practices for handling and using your equipment.
