

# LIGHT WEIGHT SCOPE MOUNT - TALLEY KIMBER 8400 MEDIUM 1" SCOPE MOUNTS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

## Attributes

- Name: [TALLEY KIMBER 8400 MEDIUM 1" SCOPE MOUNTS](#)

# **LIGHT WEIGHT SCOPE MOUNT TALLEY KIMBER 8400 MEDIUM 1" SCOPE MOUNTS Safety Instructions**

## **Introduction**

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT TALLEY KIMBER 8400 MEDIUM 1" SCOPE MOUNTS. This guide provides essential safety instructions to ensure the safe use and installation of your scope mount. Please read this manual carefully before use.

## **General Safety Guidelines**

- Ensure that the product is compatible with your firearm model and scope specifications.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Inspect the scope mount for any signs of damage or wear before installation and use.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or incidents to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Only use the scope mount with scopes that have a 1" diameter unless otherwise specified.
- Ensure that the mount is securely attached to the rifle before use to prevent accidents.
- Avoid using the scope mount in extreme conditions that may compromise its integrity.
- Regularly check the tightness of the TORX screws to ensure that the scope remains securely mounted.
- If you experience any issues with the mount or scope, cease use immediately and consult a professional.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary tools, including a TORX screwdriver.
- Ensure you are working in a clean, dry area free from distractions.

### **2. Installation Steps**

- Align the base of the scope mount with the mounting holes on your firearm's receiver.
- Securely attach the mount using the provided TORX screws. Ensure each screw is tightened evenly.
- Place your scope into the rings of the mount. Ensure it is level and properly aligned.
- Tighten the ring caps using the TORX screws, ensuring the scope is held securely in place.

### **3. PostInstallation Check**

- After installation, check that the scope is stable and does not shift when pressure is applied.
- Test the functionality of the scope to ensure proper alignment and focus.

## **Disposal Instructions**

- Dispose of the scope mount in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's contact details provided in the product packaging or documentation.

By following these safety instructions, you ensure a safe and effective experience with your LIGHT WEIGHT SCOPE MOUNT TALLEY KIMBER 8400 MEDIUM 1" SCOPE MOUNTS. Thank you for prioritizing safety!
