

LIGHT WEIGHT SCOPE MOUNT - KIMBER 8400 LOW 30MM SCOPE MOUNTS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

Attributes

- Name: [KIMBER 8400 LOW 30MM SCOPE MOUNTS](#)
- Manufacturer: [TALLEY](#)

LIGHT WEIGHT SCOPE MOUNT KIMBER 8400 LOW 30MM SCOPE MOUNTS Safety Instruction Guide

Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT KIMBER 8400 LOW 30MM SCOPE MOUNTS. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is suitable for your specific scope and firearm model.
- Always inspect the mount for any signs of damage or wear before installation.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Keep the product out of reach of children and unauthorized users.
- Use the mount only for its intended purpose as described in this manual.

Specific Safety Precautions for Use

- **Weight Limit:** Ensure that the combined weight of the scope and accessories does not exceed the recommended limits to maintain stability and safety.
- **Installation:** Improper installation can lead to accidents. Follow the installation instructions carefully.
- **Torque Specifications:** Use the appropriate torque settings when securing screws to prevent overtightening, which may damage the mount or firearm.
- **Regular Maintenance:** Periodically check the mount for tightness and integrity. Loose screws or wear may compromise safety.
- **Environmental Considerations:** Avoid exposing the mount to extreme temperatures, moisture, or corrosive substances that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a TORX screwdriver.
- Ensure the firearm is unloaded and pointed in a safe direction during installation.

2. Installation:

- Align the mount on the receiver of your firearm according to the manufacturer's specifications.
- Secure the mount using the four TORX screws provided. Tighten screws evenly to the recommended torque specifications.
- Verify that the mount is securely attached and does not move.

3. Scope Attachment:

- Place your scope into the rings of the mount.
- Adjust the position for optimal eye relief and comfort.
- Secure the scope by tightening the ring caps using the TORX screws. Ensure they are tightened evenly.

4. Final Checks:

- Doublecheck all screws and connections to ensure everything is secure.

- Conduct a function check by cycling the action of the firearm to ensure there is no interference with the scope or mount.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in general household waste. Instead, take it to a designated recycling center.

Contact Information for Further Support

For any questions or concerns regarding the LIGHT WEIGHT SCOPE MOUNT KIMBER 8400 LOW 30MM SCOPE MOUNTS, please refer to the manufacturer's website or contact their customer service for assistance.

Conclusion

By following the safety guidelines and instructions provided in this manual, you can ensure the safe and effective use of your LIGHT WEIGHT SCOPE MOUNT KIMBER 8400 LOW 30MM SCOPE MOUNTS. Thank you for prioritizing safety and compliance while using your product.
