

# **LIGHT WEIGHT SCOPE MOUNT - KIMBER 8400 MEDIUM 30MM SCOPE MOUNTS**

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## **When Every Ounce Counts; The Strength Of Steel Without The Weight**

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

## **Attributes**

# **LIGHT WEIGHT SCOPE MOUNT KIMBER 8400 MEDIUM 30MM SCOPE MOUNTS Safety Instruction Guide**

## **Introduction**

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT KIMBER 8400 MEDIUM 30MM SCOPE MOUNTS. This guide provides essential safety instructions and usage guidelines to ensure your product is used safely and effectively. Please read this document carefully before installation and use.

## **General Safety Guidelines**

- Ensure that the scope mount is compatible with your firearm model before installation.
- Always handle firearms and accessories with care to prevent accidents.
- Inspect the scope mount for any visible damage or defects before use.
- Store the scope mount in a dry, safe place away from children and vulnerable individuals.
- Follow all local laws and regulations regarding firearm accessories.
- If you experience any issues with the scope mount, stop using it immediately and seek assistance.

## **Specific Safety Precautions for Use**

- Do not exceed the recommended weight limit for the scope mount.
- Ensure that all screws are tightened securely before use to prevent shifting or slipping of the scope.
- Avoid using the scope mount with incompatible scopes or firearms.
- Regularly check the scope mount for wear and tear, especially after extensive use.
- Use caution when attaching or detaching the scope from the mount to avoid injury.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Gather all necessary tools, including a TORX screwdriver.
- Ensure that your workspace is clean and welllit.

### **2. Installation Steps:**

- Remove any existing scope mounts from your firearm.
- Align the LIGHT WEIGHT SCOPE MOUNT with the mounting holes on your firearm.
- Insert the provided TORX screws into the ring caps and tighten them securely. Ensure that each screw is evenly tightened to maintain stability.
- Check the height of the mount to ensure it meets your requirements (Low .400", Med .500", High .640", XHigh .740").

### **3. Scope Attachment:**

- Place your scope into the mount, ensuring it is centered and level.
- Tighten the ring caps using the TORX screws, ensuring the scope is secure and will not shift during use.

### **4. Final Check:**

- After installation, doublecheck that all screws are tightened and that the scope is securely

mounted.

- Perform a function check to ensure the scope operates correctly with the mount.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and metal waste.
- Do not dispose of the product in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

## Contact Information for Further Support

For safety inquiries or assistance, please contact the manufacturer or your local dealer. Ensure you have the product details ready for a quicker response.

Thank you for following these safety instructions. Your adherence to these guidelines will help ensure a safe and enjoyable experience with your LIGHT WEIGHT SCOPE MOUNT KIMBER 8400 MEDIUM 30MM SCOPE MOUNTS.
