

# LIGHT WEIGHT SCOPE MOUNT - REMINGTON 700 LA 30MM LOW 20 MOA SCOPE MOUNTS

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

## When Every Ounce Counts; The Strength Of Steel Without The Weight

One-piece construction blends the ring and base into a single unit. Eliminating the ring/base joint not only keeps weight to a minimum, it provides a stronger mount. Each ring cap is 5/8" wide, with four, TORX screws, to keep large scopes from slipping or shifting. Designed by Mel Forbes of New Ultralight Arms.

# LIGHT WEIGHT SCOPE MOUNT REMINGTON 700 LA 30MM LOW 20 MOA SCOPE MOUNTS Safety Instruction Guide

## Introduction

Thank you for choosing the LIGHT WEIGHT SCOPE MOUNT REMINGTON 700 LA 30MM LOW 20 MOA SCOPE MOUNTS. This product is designed to enhance your shooting experience with its onepiece construction, ensuring a strong and lightweight mount for your scope. However, it is essential to follow safety guidelines to ensure safe use and to protect yourself and others.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the scope mount.
- Handle the scope mount with care to avoid damaging any components.
- Keep the scope mount out of reach of children and unauthorized users.
- Regularly check the scope mount for any signs of wear or damage.
- Do not exceed the manufacturer's weight limit for scopes to avoid compromising safety.
- Be aware of your surroundings when using firearms and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Ensure that the scope mount is compatible with your firearm model (Remington 700, 40X, 721, 722, 725).
- Use only the recommended tools for installation (TORX screws).
- Tighten screws to the specified torque to avoid loosening during use.
- Inspect the scope alignment before each use to ensure proper functionality.
- If you notice any instability or misalignment, cease use immediately and inspect the mount.
- Avoid using the scope mount in extreme weather conditions that may affect its performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools: TORX screwdrivers, a clean cloth, and a torque wrench.
- Ensure your workspace is clean and free of distractions.

### 2. Installation:

- Unload the firearm and ensure it is pointed in a safe direction.
- Remove any existing scope mounts or accessories from the firearm.
- Align the scope mount with the receiver of the firearm, ensuring it fits securely.
- Attach the mount using the provided TORX screws. Tighten each screw gradually and evenly.
- Use the torque wrench to tighten screws to the manufacturer's specifications.

### 3. Scope Attachment:

- Place the scope into the mount, ensuring it is properly seated.
- Adjust the scope to your preferred position before securing it in place.
- Tighten the ring caps using the TORX screws, ensuring the scope is secure.

### 4. Final Checks:

- Inspect the installation for any loose screws or misalignments.
- Ensure that the scope is level and properly aligned with the barrel.
- Test the mount by gently shaking the firearm to ensure stability.

#### **5. Usage:**

- Always follow safe firearm handling practices.
- Check the scope mount and scope for stability before each shooting session.
- If you experience any issues, consult a qualified gunsmith for assistance.

## **Disposal Instructions**

- Dispose of the scope mount and any packaging materials in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.
- Ensure that all components are disposed of safely to prevent harm to the environment.

## **Contact Information for Further Support**

For any questions or concerns regarding the LIGHT WEIGHT SCOPE MOUNT REMINGTON 700 LA 30MM LOW 20 MOA SCOPE MOUNTS, please contact the manufacturer or consult the product documentation for additional support.

By following these safety instructions, you can ensure a safe and enjoyable experience with your new scope mount. Thank you for your attention to safety.
