[Firearms](#) > [Shotguns](#) > [Semi-Auto](#)

Saiga-Style, Semi-Auto Shotgun with Familiar Controls & Unique Features

The Russian-made Saiga shotgun was a popular option for American shooters for years, thanks to its rugged, AK-based design and ability to feed a range of shotshells. Now, Kalashnikov USA is bringing in its KS-12T, a Saiga-style semi-auto shotgun that accepts many of the Saiga accessories currently found on the market. Each Kalashnikov USA KS-12T shotgun is designed to accept shotshells measuring up to 3 inches long, and the gun feeds from all Saiga magazines on the market, including drum mags. The gun comes with a collapsible stock, railed fore-end, side-mounted optics rail and a flash suppressor. Barrel length: 18.5 inches Chambered in 12 gauge Weight: 8.86 pounds Ships with one 10-round magazine Saiga accessories compatible with the Kalashnikov USA KS-12T shotgun include muzzle devices and choke tubes.

KS12T 12 Gauge Shotgun Safety Instruction Guide

Introduction

Thank you for choosing the KS12T 12 Gauge Shotgun. This guide provides essential safety instructions to ensure the safe and effective use of your shotgun. Please read this guide thoroughly before using the product to understand the necessary precautions and procedures.

General Safety Guidelines

- Always treat the shotgun as if it is loaded.
- Keep the shotgun pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that the area is clear of people and animals before firing.
- Use only the correct ammunition specified for the KS12T (12 Gauge).
- Regularly inspect your shotgun for any signs of wear or damage before use.
- Store the shotgun in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Ensure that the shotgun is unloaded when not in use or when being transported.
- Always use eye and ear protection while shooting.
- Do not attempt to modify or alter the shotgun in any way.
- Only use accessories that are compatible with the KS12T.
- Be cautious of the muzzle when handling the shotgun, and never place your hand in front of the muzzle.
- If a misfire occurs, keep the shotgun pointed downrange for at least 30 seconds before attempting to clear the chamber.
- Avoid using the shotgun under the influence of drugs or alcohol.

Instructions for Installation and Usage

Installation

- Before installation, ensure the shotgun is unloaded.
- Attach the collapsible stock according to the manufacturer's instructions.
- Install any desired accessories, such as optics or muzzle devices, ensuring they are securely fastened.

Usage

- Load the shotgun by inserting the 10round magazine into the magazine well until it clicks into place.
- To chamber a round, pull the charging handle fully to the rear and release it to allow the bolt to move forward.
- To fire, aim at the target, ensure the safety is disengaged, and gently squeeze the trigger.
- After firing, the shotgun will automatically eject the spent shell and chamber the next round.
- To unload, remove the magazine and pull the charging handle to eject any chambered rounds.

Disposal Instructions

- Dispose of the shotgun responsibly, following local laws and regulations.
- If you need to dispose of any ammunition, contact a local law enforcement agency or hazardous waste facility for guidance.

- Ensure that all components are disposed of in an environmentally friendly manner.

Contact Information for Further Support

For safety inquiries or additional support regarding the KS12T 12 Gauge Shotgun, please refer to the manufacturer's contact resources.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your KS12T shotgun. Remember to always prioritize safety and responsibility in all aspects of firearm handling and usage.
