Safety Instruction Guide for TWO ROUND HOLDERS SHORT ACTION PRECISION INC SAP TWO ROUND HOLDER 308, OD GREEN

Introduction

Thank you for choosing the SAP Two Round Holder. This product is designed to securely hold two extra rounds of ammunition, providing convenient access during use. Please read this safety instruction guide carefully to ensure safe and effective usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle ammunition with care and follow all safety protocols associated with firearms.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the holder for any signs of wear or damage before each use.
- In case of any malfunction or if the holder appears to be damaged, discontinue use immediately and seek guidance.

Specific Safety Precautions for Use

- Do not exceed the specified capacity of the holder (2 rounds).
- Ensure that the ammunition stored in the holder is compatible with the holder specifications:
 - .308 Holder fits case bodies 0.450" to 0.550" in diameter.
 - .223 Holder fits case bodies 0.340" to 0.440" in diameter.
 - Magnum Holder fits case bodies 0.550" to 0.800" in diameter.
- Avoid exposing the holder to extreme temperatures or harsh environmental conditions.
- Clean the stock of the rifle thoroughly with a good quality rubbing alcohol (91% preferred) before attaching the holder to ensure proper adhesion.
- Allow the surface to dry completely before attaching the holder.
- If using the holder on a rifle, ensure it is securely attached and positioned away from the ejection port.

Instructions for Installation and Usage

1. Preparation:

- Clean the stock of the rifle with rubbing alcohol.
- Allow the surface to dry completely.

2. Attaching the Holder:

- Peel the backing from the supplied industrial strength Velcro piece.
- Firmly press the Velcro onto the clean, dry area of the rifle stock, ensuring a secure attachment.

3. Loading the Holder:

- Insert ammunition into the holder, ensuring it fits snugly and does not exceed the specified capacity.
- Check that the ammunition is positioned correctly and is secure.

4. Using the Holder:

- Access the ammunition as needed during use.
- Ensure that the holder remains secure during operation.

5. Removing the Holder:

- If you need to remove the holder, gently peel it away from the stock.
- Clean any residue left on the stock as necessary.

Disposal Instructions

- Dispose of the holder according to local regulations regarding plastic and Velcro materials.
- Do not dispose of the holder in fire or extreme heat, as this may cause harmful emissions.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SAP Two Round Holder, please refer to the contact details provided by the manufacturer or retailer from whom you purchased the product.

Please ensure to report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority, and we appreciate your adherence to these guidelines.
