

# AR-15 KP-15 COMPLETE LOWER RECEIVERS AMBIDEXTROUS POLYMER - KE ARMS KP-15 COMPLETE LOWER RECEIVER AMBIDEXTROUS POLYMER FDE

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Lower Receivers](#)

## Ambidextrous Controls in an Affordable Package

What makes this lower different than its counterparts? The answer is simple... the KE Arms KP-15 is a monolithic polymer AR-15 ambidextrous lower receiver made from injection molded, 30% glass-filled nylon. Its unique design incorporates the buffer tube, pistol grip, trigger and a 13-inch (LOP) buttstock into the receiver as integral components. The result is an affordably priced, lightweight lower receiver. The KE Arms KP-15 ambidextrous lower receiver features a lower parts kit including a KE Arms SLT-1 trigger (4.5-pound pull, sear link technology) and ambi selector. The take down and pivot pins have built-in detents, which increases durability by eliminating the spring and detent holes. The lower uses a carbine buffer and spring. The buffer detent (should you choose to use it) is held in place with a 5/64" roll pin. The hammer pin area is wider for durability; standard AR-15 hammer pins can still be used, though the KE Arms longer hammer pin is recommended for customers preferring a flush pin for aesthetic reasons. The safety selector spring and detent have been designed to load from the top, then the selector is slid over them. (Standard selectors can work but removing them can be particularly difficult. KE Arms recommends the use of their designated mil-spec selector or ambi selector to make removal easier. Follow the manufacturer's assembly guide for further instructions.) Weight: 1.698 lbs. Compatible with all Mil-Spec fire control groups Compatible with cassette style match triggers Flared magwell Available in black and flat dark earth MLOK slots at rear of stock for sling attachment Pre-drilled in front for QD socket inserts Uses a standard bolt catch. Cannot accept the PDQ lever. The PDQ lever is exclusive to the WWSD complete rifle. Do NOT use anything other than standard carbine buffers and round springs or the JP SCSS in the KP-15. **WARNING!:** This item is legally classified as a receiver. You Must be 21 years old to purchase this item and a resident of the same state your transferring dealer is licensed in. The KE Arms KP-15 is compatible with standard AR-15 uppers in calibers including .223/5.56mm NATO, .300 Blackout, 6.5mm Grendel and 6.8mm SPC. The lower receiver is also compatible with 9mm blowback systems, when used with a minimum buffer weight of 5.4oz (carbine). Failure to use a minimum buffer weight of 5.4oz can damage the lower. **CERAKOTE:** If you intend to Cerakote your KP-15 the manufacturer recommends the bake should be done at low temperatures (<190 Degrees F) and with an upper in place to prevent warping.

## Attributes

- Name: [KE ARMS KP-15 COMPLETE LOWER RECEIVER AMBIDEXTROUS POLYMER FDE](#)
- Manufacturer: [KE ARMS](#)
- Product no.: 100037290
- Mfr. No.: 1-61-01-009
- Cartridge: 5.56 mm NATO

- Colour: Flat Dark Earth
- Finish: Anodized
- Style: Complete
- Weapon type: AR-15
- Delivery weight: 0.68kg
- Shipping height: 51mm
- Shipping width: 229mm
- Shipping length: 533mm

# Safety Instruction Guide for KE Arms KP15 Complete Lower Receiver

## Introduction

Thank you for choosing the KE Arms KP15 Complete Lower Receiver. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the receiver.

## General Safety Guidelines

- Ensure the product is used only by individuals aged 21 and older.
- Always follow local laws and regulations regarding firearm components.
- Inspect the product for damage or defects before use. Do not use if damaged.
- Store the product in a secure location, away from children and unauthorized users.
- Report any unsafe products or accidents to local authorities immediately.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Legal Classification:** The KE Arms KP15 is legally classified as a receiver. Ensure compliance with all related laws.
- **Age Requirement:** You must be at least 21 years old to purchase and use this product.
- **Buffer Weight:** Use only a standard carbine buffer and round springs or the JP SCSS in the KP15. Failure to comply may result in damage.
- **Compatibility:** This receiver is compatible with standard AR15 uppers in various calibers. Ensure proper compatibility before assembly.
- **Installation of Selector:** Follow the manufacturer's instructions for installing the safety selector. Standard selectors may be difficult to remove.
- **Buffer Tube:** The buffer detent is held in place with a 5/64" roll pin. Ensure it is properly secured.
- **Trigger Mechanism:** The KE Arms SLT1 trigger has a 4.5 pound pull. Ensure it is installed correctly for safe operation.

## Instructions for Installation and Usage

### 1. Assembly:

- Read the manufacturer's assembly guide thoroughly before beginning.
- Ensure you have all necessary tools and components available.
- Assemble the lower receiver according to the provided instructions, paying close attention to the safety selector and trigger installation.

### 2. Usage:

- Always treat the firearm as if it is loaded.
- Point the firearm in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.

### 3. Weight Consideration:

- The KE Arms KP15 weighs 1.698 lbs. Ensure that you can safely handle the firearm when fully assembled.

#### **4. Sling Attachment:**

- Utilize the MLOK slots at the rear of the stock for sling attachment. Ensure that the sling is securely attached before use.

#### **5. Cerakote Application:**

- If you plan to Cerakote your KP15, bake at low temperatures (<190 Degrees F) with an upper in place to prevent warping.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding firearm components.
- Do not dispose of in regular household waste.
- Contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For safety inquiries or further assistance, please contact the manufacturer directly or refer to their official website.

By following these guidelines, you can ensure a safe and enjoyable experience with your KE Arms KP15 Complete Lower Receiver. Thank you for prioritizing safety and compliance.
