# Safety Instruction Guide for the AR .308 GRIPNRIP Ambidextrous Charging Handle

## Introduction

Thank you for choosing the Daniel Defense AR .308 GRIPNRIP Ambidextrous Charging Handle. This guide provides essential safety instructions and information to ensure the safe use and maintenance of your product. It is important to read and understand these instructions thoroughly before use.

## General Safety Guidelines

- Always treat the charging handle as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your fingers away from the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that no one is in the line of fire.
- Use proper eye and ear protection when operating the firearm.
- Regularly inspect the charging handle for any signs of wear or damage before use.
- Do not modify or alter the charging handle in any way.
- Store the charging handle and firearm securely when not in use, out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Ensure that the charging handle is compatible with your firearm model before installation.
- Be cautious of gas flow when operating the charging handle, especially when using suppressed fire.
- Use the charging handle with both hands when necessary to maintain control.
- If you experience any malfunction or difficulty while using the charging handle, cease use immediately and consult a qualified gunsmith.
- Do not attempt to disassemble or repair the charging handle unless you are a qualified technician.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing charging handle from your firearm by following the manufacturer's instructions.
3. Align the AR .308 GRIPNRIP Charging Handle with the receiver of the firearm.
4. Insert the charging handle into the receiver until it is fully seated.
5. Ensure that both sides of the handle operate independently and that the latch functions properly.

### Usage

- Grip the charging handle firmly with one or both hands.
- Pull the handle back to charge the firearm, ensuring that the gas flow is directed away from your face.
- Release the handle to allow it to return to its original position.
- Always check that the firearm is ready and safe to fire after charging.

## Disposal Instructions

- Dispose of the charging handle in accordance with local regulations regarding metal waste.
- If the charging handle is damaged or no longer functional, do not attempt to repair it. Dispose of it safely to prevent any potential hazards.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and use of the AR .308 GRIPNRIP Ambidextrous Charging Handle, please reach out to your local retailer or manufacturer's support team for assistance.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Daniel Defense AR .308 GRIPNRIP Ambidextrous Charging Handle. Always prioritize safety and responsibility when handling firearms.
