# MCX Suppressor Handguards Safety Instruction Guide

## Introduction

Thank you for choosing the MCX Suppressor Handguards by Midwest Industries. This guide provides important safety information and instructions to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

## General Safety Guidelines

- Ensure the product is used only as intended.
- Always follow local laws and regulations when using firearm accessories.
- Inspect the handguard for any damage before installation.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe conditions or incidents to the relevant authorities.
- Stay informed about recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Safety:** Always wear appropriate safety gear, such as eye protection, when handling firearms and accessories.
- **Installation Safety:** Ensure that the firearm is unloaded before beginning installation.
- **Environment:** Perform installation and maintenance in a welllit, clean, and dry area.
- **Compatibility:** Verify that the handguard is compatible with your specific MCX model before installation.
- **Heat Management:** Be cautious of heat generated during use. Allow the handguard to cool down before handling after firing.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the following tools ready: a torque wrench, an Allen wrench, and any necessary mounting hardware.
- Confirm that your MCX firearm is unloaded and pointed in a safe direction.

### 2. Installation:

- Remove the existing handguard by following the manufacturer's instructions for your MCX model.
- Align the MCX Suppressor Handguard with the mounting points on your firearm.
- Secure the handguard using the provided retaining clip and ensure it is tightly fastened.
- Use a torque wrench to tighten the screws to the manufacturer's specified torque settings.

### 3. PostInstallation Check:

- Inspect the handguard to ensure it is securely attached and free from any obstructions.
- Test the functionality of the handguard by cycling the action of the firearm without ammunition.

### 4. Usage:

- Use the handguard as intended for improved handling and ergonomics during operation.
- Regularly check for any signs of wear or damage during use.

## **Disposal Instructions**

- Dispose of the MCX Suppressor Handguards in accordance with local regulations for aluminum products.
- Do not burn or incinerate the product, as it may release harmful substances.

## **Contact Information for Further Support**

For any questions or concerns regarding the MCX Suppressor Handguards, please reach out to the manufacturer or your point of purchase for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your MCX Suppressor Handguards. Thank you for your attention to safety and compliance.
