[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

WCP320 SIG SAUER 9MM LUGER SEMI-AUTO HANDGUN Wilson Combat and Sig Sauer are pleased to announce the Wilson Combat enhanced P320 collaboration, the WCP320. This 9mm pistol includes Wilson Combat's custom P320 grip module (black or tan), P320 slide with X-TAC pattern serrations, and black DLC finish. Wilson Combat gunsmiths and engineers have completely reworked a SIG SAUER P320 chassis and unfinished SIG-manufactured slide into their ideal version of a high-performance, perfected striker-fired pistol. This robust, fast-handling pistol wears the Wilson Combat engineered polymer grip module. This newly designed and manufactured grip has enhanced traction, smoother reloading, improved pointability, and superb recoil control in dynamic shooting. This grip turns an already solid platform into an ergonomic shooting machine. The slide has been machined with the Wilson Combat X-TAC pattern for improved manipulation under stress. The front and rear cocking serrations, as well as the slide top, wear this signature Wilson Combat pattern. The stainless steel slide and chromoly barrel wear the most advanced black DLC (Diamond-like-Carbon) physical vapor deposition finish available. This finish has chromium and tungsten underlayers for long-lasting corrosion and abrasion resistance. FEATURES: Wilson Combat P320 Carry grip module (Black) Wilson Combat X-TAC P320 slide with machine bevels Black DLC finish on slide/barrel X-TAC pattern front and rear cocking serrations X-TAC pattern on slide top Carry cut Wilson Combat logo on slide Wilson Combat Battlesight with red fiber optic front sight SIG factory magazine release SIG factory slide Stop SIG P320 X-Full Size steel trigger OR Agency Arms Trigger 2 17 round X-Series magazines Beveled magazine well Rail for mounting light or laser Special serial number range with WC prefix SPECIFICATIONS: Cartridge: 9mm Luger Magazine capacity: 17 rounds Barrel length: 4.7" Overall length: 8.25" Sight radius: 6.7" Height: 5.5" Width: 1.5" Weight empty: 29.2 oz Weight loaded: 36.7 oz

WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN Safety Instructions

Introduction

Thank you for choosing the WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN. This safety instruction guide provides essential information to ensure the safe usage and handling of your handgun. It complies with the EU General Product Safety Regulation (GPSR) to help protect users and promote responsible firearm ownership.

General Safety Guidelines

- Always treat the handgun as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until ready to shoot.
- Store the handgun in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the handgun for any signs of damage or wear.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- **Handling:**
 - Do not attempt to modify the handgun. Unauthorized modifications can lead to malfunctions or unsafe conditions.
 - Ensure that the safety mechanism is engaged when the handgun is not in use.
- **Ammunition:**
 - Use only the recommended 9mm Luger ammunition for your handgun. Using incorrect ammunition can cause serious injury or death.
 - Inspect ammunition for damage before use. Do not use damaged or corroded ammunition.
- **Shooting:**
 - Always shoot at a designated shooting range or an area where shooting is permitted.
 - Ensure that the area behind the target is clear of people and property.
 - Do not shoot at hard surfaces or water, as bullets can ricochet.

Instructions for Installation and Usage

- **Installation:**
 - Ensure the handgun is unloaded before installation.
 - If applicable, install any accessories (such as sights or lights) according to the manufacturer's instructions.
- **Usage:**
 - Load the handgun by inserting a magazine filled with 9mm Luger ammunition into the magazine well.
 - Pull back the slide to chamber a round.
 - To fire, take aim and gently squeeze the trigger while maintaining control of the handgun.
 - After firing, ensure the handgun is pointed in a safe direction and release the trigger.

Disposal Instructions

- Dispose of the handgun in accordance with local laws and regulations regarding firearm disposal.
- If the handgun is no longer operational or safe to use, consult with a qualified firearms dealer or law enforcement for proper disposal methods.

- Dispose of ammunition according to local hazardous waste regulations. Do not dispose of live ammunition in regular trash.

Contact Information for Further Support

For any questions or concerns regarding the safety and usage of your WCP320 SIG SAUER 9MM LUGER SEMIAUTO HANDGUN, please refer to the manufacturer's website or authorized dealers for support and guidance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your WCP320 SIG SAUER handgun. Always prioritize safety and responsibility in all firearmrelated activities.
