# AR15 Teardrop Forward Assist Safety Instruction Guide

## Introduction

Thank you for choosing the LuthAR Teardrop Forward Assist for your AR15 build. This guide provides essential safety instructions and guidelines to ensure the proper and safe use of your product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any visible damage or defects before use.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the LuthAR Teardrop Forward Assist with compatible AR15 builds.
- Follow all local laws and regulations related to firearm assembly and usage.
- Avoid applying excessive force during installation to prevent damage to the product or the firearm.
- Ensure the firearm is unloaded and pointed in a safe direction before installation or maintenance.
- Do not modify the forward assist assembly beyond the manufacturer's specifications.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a punch and hammer, for installation.
- Ensure you are in a welllit and safe environment.

### 2. Installation Steps:

- Ensure your AR15 is completely unloaded.
- Remove the upper receiver from the lower receiver.
- Locate the forward assist hole on the upper receiver.
- Align the LuthAR Teardrop Forward Assist with the hole.
- Use a punch to gently tap the forward assist into place until it is securely seated.
- Verify that the forward assist functions correctly by pressing it in and out.

### 3. Usage:

- To use the forward assist, press it forward to ensure the bolt is fully seated in the chamber.
- Avoid using the forward assist if the firearm is not functioning properly.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm parts and accessories.
- Do not throw the product into regular waste; contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the LuthAR Teardrop Forward Assist, please refer to the manufacturer's contact details provided with your product packaging. Ensure you have the product information ready for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy your building experience with the AR15 Teardrop Forward Assist!
