

CIVIL DEFENSE RIFLE (CDR) RIFLE - CDR 5.56MM 16" BARREL RIFLE W/30RD MAGAZINE BLACK

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The Civil Defense Rifle (CDR) is a joint development between KE Arms & InRangeTV. With a similar thought process to the fully featured WWSD2020, the CDR is a lightweight, modern carbine, ready out of the box for hard use. The heart of the CDR is the KP-15 polymer lower receiver, which provides extreme durability out of a lightweight platform. The integral buttstock, grip and buffer tube strengthen the polymer structure, allowing it to hold up to extreme drop tests and torture testing. Ambidextrous safety selector allows for ease of operation from any position. The included KE Arms DMR Trigger provides a crisp and clean trigger pull, with short rest. Unlike the WWSD, the CDR has a standard bolt catch and magazine release, as well as a standard carbine buffer & spring. The upper receiver included with the CDR is similar to the WWSD, with no forward assist, reducing unnecessary parts and potential failure points. Black nitride bolt carrier group provides excellent corrosion resistance and lubricity. KE Arms Enhanced Charging Handle ensures reliable operation. The lightweight Faxon 16 inch pencil barrel combined with a KE Arms 12.5 inch Delta-S handguard make for an excellent handling rifle, with no unnecessary weight up front. Barrel has a 1-8 twist and is chambered for 5.56x45mm. The mid-length gas system contributes to a soft shooting setup. Capping the barrel is an A2 flash hider. Total Unloaded Weight: 5.11 lbs Includes 1x 30rd Magpul PMAG GEN M3

Attributes

- Name: [CDR 5.56MM 16" BARREL RIFLE W/30RD MAGAZINE BLACK](#)
- Manufacturer: [KE ARMS](#)
- Product no.: 100042493
- Mfr. No.: 1-61-01-016
- Action Type: Semi-Auto
- Barrel Length: 16"
- Capacity: 30+1-Round
- Cartridge: 5.56 mm NATO
- Finish: Black
- Front Sight: None
- Length: 36"
- Magazine Included: 1 x 30-Round
- Magazine Type: Removable
- Make: AR-15
- Muzzle: A2 Flashhider
- Rear Sight: None

Civil Defense Rifle (CDR) Safety Instruction Guide

Introduction

Thank you for choosing the Civil Defense Rifle (CDR). This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your rifle. Please read this document carefully before using the product.

General Safety Guidelines

- Always treat your rifle as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Always use the appropriate ammunition specified for the rifle (5.56 mm NATO).
- Wear eye and ear protection while shooting.
- Do not consume alcohol or drugs before or while using the rifle.
- Be aware of your surroundings and ensure a clear shooting area.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure the safety selector is in the "safe" position until you are ready to fire.
- Always check the chamber to ensure it is clear before handling or cleaning the rifle.
- Use only highquality magazines that are compatible with the CDR.
- Do not modify the rifle or its components in any way that could affect safety or performance.
- Be cautious when loading and unloading the rifle to avoid accidental discharge.
- If a malfunction occurs, keep the rifle pointed in a safe direction and follow proper clearing procedures.
- Never place your finger on the trigger until you are ready to shoot.

Instructions for Installation and Usage

Installation

- Ensure the rifle is unloaded before installation.
- Follow the manufacturer's instructions for attaching any accessories or components.
- Check that all screws and fittings are secure before use.

Usage

- To load the rifle:
 - Insert a loaded magazine into the magazine well until it clicks into place.
 - Pull the charging handle to the rear and release it to chamber a round.
 - Ensure the safety selector is in the "fire" position before shooting.
- To unload the rifle:
 - Point the rifle in a safe direction.
 - Remove the magazine by pressing the magazine release button.
 - Pull the charging handle to the rear to eject any chambered round.
 - Verify that the chamber is empty before storing or handling the rifle.

Disposal Instructions

- Dispose of the rifle in accordance with local laws and regulations.
- If the rifle is damaged or no longer functional, contact a licensed firearms dealer for proper disposal methods.
- Dispose of ammunition and magazines in accordance with hazardous waste regulations.

Contact Information for Further Support

For safety inquiries or additional information, please contact your local authorized dealer or manufacturer. Always ensure that you have access to support when needed.

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your Civil Defense Rifle (CDR). Thank you for your attention to safety.
