

AR-15 STRIPPED UPPER RECEIVERS - AERO PRECISION AR-15 STRIPPED UPPER RECEIVER NO AUTO SEAR CUT

[Rifle Parts](#) > [Receiver Parts](#) > [Receivers](#) > [Upper Receivers](#)

Want to build from scratch? Aero Precision provides a stripped upper skeleton to get started. Uppers are available with or without the forward assist. The AR-15 upper receivers listed here omit the "auto sear" cut, making them semi-automatic only, which is required for some countries such as Germany. Standard AR-15 components, including AR-15 or M16 bolt carriers will function fine with these upper receivers. Uppers are machined with M4 feedramps, mil-spec picatinny rails and finished with a matte black hard anodized finish.

Safety Instruction Guide for Aero Precision AR15 Stripped Upper Receiver

Introduction

Thank you for choosing the Aero Precision AR15 Stripped Upper Receiver. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure the product is used in accordance with local laws and regulations.
- Always handle the upper receiver with care to avoid injury.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the upper receiver for any signs of damage or wear.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Only use this upper receiver with compatible AR15 components.
- Do not attempt to modify the upper receiver in any way that could compromise its integrity or safety.
- Ensure that the upper receiver is properly installed before use.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure that the area is safe for shooting.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure you are in a safe and controlled environment.

2. Installation Steps:

- Align the stripped upper receiver with the lower receiver.
- Secure the upper receiver using the appropriate pins and screws.
- Ensure that all components are tightly fitted and that there are no gaps.

3. Usage Instructions:

- Load the firearm only when you are ready to shoot.
- Always check that the firearm is pointed in a safe direction.
- Follow all standard firearm safety practices during operation.

4. PostUsage:

- After use, clean the upper receiver and inspect it for any damage.
- Store the upper receiver in a secure location, preferably in a locked safe.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the upper receiver becomes damaged beyond repair, contact local waste management services for

proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the product documentation or contact your local distributor.

Thank you for prioritizing safety and compliance while using the Aero Precision AR15 Stripped Upper Receiver.
