# Safety Instruction Guide for Cross Armory Lower Parts Kit for Glock 17 & 19

## Introduction

Thank you for choosing the Cross Armory Lower Parts Kit for your Glock 17, Glock 19, or Polymer 80 build. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your product. Please read this manual carefully before installation and use.

## General Safety Guidelines

- Always handle firearms and firearm components with care and respect.
- Ensure that you are in compliance with local laws and regulations regarding firearms.
- Store all firearm components out of reach of children and unauthorized users.
- Inspect all parts before installation to ensure they are free from defects.
- Seek professional assistance if you are unsure about any aspect of the installation or use of this kit.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before starting any work on it.
- Wear safety glasses to protect your eyes from debris during installation.
- Use appropriate tools designed for firearm assembly to avoid damaging parts.
- Follow the manufacturer's instructions closely to avoid incorrect installation.
- Be aware of the potential hazards associated with firearm assembly, including pinching, cuts, and accidental discharge.
- Keep your work area clean and organized to prevent accidents.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure you have a clean and welllit workspace.
- Gather all necessary tools, including a punch set, hammer, and screwdriver.

### 2. Installation Steps

- **Trigger Assembly**
  - Insert the complete trigger with the polymer trigger shoe into the lower receiver.
  - Secure it using the appropriate pins from the kit.
- **Connector Installation**
  - Install the 5.5# connector into the trigger assembly.
- **Pin Set Installation**
  - Insert the 3 pin set into their respective locations in the lower receiver.
- **Magazine Catch**
  - Install the extended magazine catch by aligning it with the magazine catch spring and securing it in place.
- **Slide Lock**
  - Insert the extended slide lock into the designated slot on the lower receiver.
- **Slide Stop**
  - Install the extended slide stop, ensuring it is properly seated.
- **Spring Installation**

- Install the magazine catch spring, slide lock spring for G17, and slide lock spring for G19 as per the assembly instructions.

### **3. Final Checks**

- Once all components are installed, perform a thorough inspection to ensure everything is secured and functioning properly.
- Conduct a function check of the firearm to ensure safe operation.

## **Disposal Instructions**

- Dispose of any unused parts or packaging in accordance with local waste management regulations.
- Avoid disposing of firearm components in general waste; check for specialized recycling or disposal options.

## **Contact Information for Further Support**

For further inquiries or assistance regarding the Cross Armory Lower Parts Kit, please reach out to your authorized dealer or manufacturer. Ensure you have the product details handy for efficient support.

Thank you for your attention to these safety instructions. Your safety and the safety of others is paramount when handling firearms and firearm components.
