

# CONDITION ONE ANGLE COSINE INDICATOR MOUNT - BADGER ORDNANCE CONDITION ONE ANGLE COSINE INDICATOR MOUNT BLACK

[Home](#)

The C1 ACI allows for the attachment of the Sniper Tools Design ACI directly to the C1 line of mounts. It can be used on any C1 mount left/right fore/aft though end users will need to purchase right or left handed ACIs accordingly as the ACI design itself is not ambidextrous in nature. It can be used in conjunction with and opposing other accessories or alone on the mount utilizing the provided standalone puck. The C1 ACI mount can be configured for 2 different ride heights on the mount, high or low. The Right Hand ACI is built for right handed shooters and mounts the ACI on the left side of the mount to be visible when shooting. 7075 T6 Aluminum, Mil Spec Type III Hardcoat Anodized, tan or black. Weight .7 oz.

# CONDITION ONE ANGLE COSINE INDICATOR MOUNT Safety Instruction Guide

## Introduction

Thank you for choosing the CONDITION ONE ANGLE COSINE INDICATOR MOUNT from Badger Ordnance. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this manual carefully before use and keep it for future reference.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the mount and accessories for any signs of damage or wear before each use.
- Follow all installation and usage instructions provided in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- The CONDITION ONE ANGLE COSINE INDICATOR MOUNT is designed for use with the Sniper Tools Design ACI. Ensure compatibility before use.
- The mount is not ambidextrous; choose the correct ACI for your shooting hand (right or left).
- When using the mount, ensure it is securely attached to prevent accidental detachment during operation.
- Do not exceed the weight limit specified for the mount.
- Avoid using the mount in extreme weather conditions that may impair its function.
- Always wear appropriate eye protection when using firearms.

## Instructions for Installation and Usage

### Installation

#### 1. Select the Appropriate ACI:

- Choose the Right Hand ACI for righthanded shooters and the Left Hand ACI for lefthanded shooters.

#### 2. Attach the ACI to the Mount:

- Align the ACI with the designated attachment points on the C1 mount.
- Securely fasten the ACI using the provided hardware, ensuring it is tightly fitted.

#### 3. Adjust the Ride Height:

- The mount can be configured for high or low ride heights. Select the desired height based on your preference and shooting position.

#### 4. Check for Stability:

- After installation, gently shake the mount to ensure it is stable and securely attached.

### Usage

- When using the mount, ensure that the ACI is visible and accessible while shooting.
- Utilize the standalone puck if using the ACI without additional accessories.

- Regularly check the mount and ACI for any signs of wear or damage during usage.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling components where possible.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the CONDITION ONE ANGLE COSINE INDICATOR MOUNT, please contact your local distributor or refer to the manufacturer's website for additional support and information.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we appreciate your commitment to using the CONDITION ONE ANGLE COSINE INDICATOR MOUNT responsibly.
