

CONDITION ONE/HAWK HIL CUSTOM DATA CARD HOLDER - BADGER ORDNANCE CONDITION ONE/HAWK HILL CUSTOM DATA CARD HOLDER TAN

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The Condition One / Hawk Hill Custom Data Card Holder is a collaborative effort to adapt the proven Hawk Hill Custom ""RMD"" or Rifle Mounted Data-Holder to the Condition One Modular mounts. It's flexible design with multi axis rotation allows target data and information to be easily viewed without changing shooting position. The RMD's rugged construction will hold up to the demands of competition shooting as well as the toughest hunting, field and combat conditions. Kydex panel easily folds away when not in use to prevent injury or snagging. It can be mounted on any C1 mount left/right fore/aft. It can be used in conjunction with and opposing other accessories or alone on the mount utilizing the provided standalone puck. Included with product: 300 mil pvc card and marking pencil to write directly on card. Won't wash off in rain, but wipes away easily. Industrial strength velcro for attaching various objects to card. C1 Modular Mount Adapter and Standalone Puck.

Condition One/Hawk Hill Custom Data Card Holder Safety Instructions

Introduction

Thank you for choosing the Condition One/Hawk Hill Custom Data Card Holder. This product is designed to enhance your shooting experience by providing a reliable and flexible method for displaying important data while ensuring safety during use. This guide contains essential safety instructions and guidelines to help you use this product effectively and responsibly.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Always inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Keep out of reach of children and vulnerable individuals to prevent accidental injury or misuse.
- Use the product in a safe environment, free from hazards that could cause injury.
- Always follow local laws and regulations regarding the use of shooting accessories.

Specific Safety Precautions for Use

- Avoid using the card holder in extreme weather conditions that could impair visibility or functionality.
- Ensure that the Kydex panel is securely folded away when not in use to prevent injury or snagging.
- When writing on the PVC card, ensure that the marking pencil is used safely and stored out of reach of children.
- Do not overload the card holder with excessive weight, as this could lead to product failure.
- Be aware of your surroundings when using the product to avoid accidents with other shooters or bystanders.

Instructions for Installation and Usage

1. Installation:

- Choose a suitable C1 mount on your firearm where the Data Card Holder will be attached.
- Align the card holder with the mount and securely fasten it in place using the provided attachment method.
- Ensure that the holder is firmly attached and does not wobble or shift during use.

2. Usage:

- Rotate the Data Card Holder to the desired angle for optimal visibility of your target data.
- Use the marking pencil provided to write directly on the PVC card. The markings are resistant to rain but can be easily wiped away when needed.
- If using in conjunction with other accessories, ensure that they do not obstruct the view of the data card.
- When finished, fold the Kydex panel away to prevent injury or snagging.

Disposal Instructions

- Dispose of the product responsibly according to local regulations.
- If the product is no longer usable, ensure that any components are recycled or disposed of in an environmentally friendly manner.
- Do not dispose of the product in household waste unless permitted by local guidelines.

Contact Information for Further Support

For any questions or concerns regarding the safety or functionality of the Condition One/Hawk Hill Custom Data Card Holder, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with the Condition One/Hawk Hill Custom Data Card Holder. Always prioritize safety and responsible use while enjoying your shooting activities.
