CONDITION ONE/HAWK HIL CUSTOM DATA CARD HOLDER - CONDITION ONE/HAWK HILL CUSTOM DATA CARD HOLDER BLACK

Optics & Mounting > Rings, Mounts & Bases > Mount Sets

The Condition One / Hawk Hill Custom Data Card Holder is a collaborative effort to adapt the proven Hawk Hill Custom ""RMD"" or Rifle Mounted Data-Holder to the Condition One Modular mounts. It's flexible design with multi axis rotation allows target data and information to be easily viewed without changing shooting position. The RMD's rugged construction will hold up to the demands of competition shooting as well as the toughest hunting, field and combat conditions. Kydex panel easily folds away when not in use to prevent injury or snagging. It can be mounted on any C1 mount left/right fore/aft. It can be used in conjunction with and opposing other accessories or alone on the mount utilizing the provided standalone puck. Included with product: 300 mil pvc card and marking pencil to write directly on card. Won't wash off in rain, but wipes away easily. Industrial strength velcro for attaching various objects to card. C1 Modular Mount Adapter and Standalone Puck.

Condition One / Hawk Hill Custom Data Card Holder Safety Instruction Guide

Introduction

Thank you for choosing the Condition One / Hawk Hill Custom Data Card Holder. This product is designed to enhance your shooting experience by providing a secure and flexible method to hold data cards. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any damage or wear before each use.
- Store the product in a safe place when not in use to prevent accidents.
- Keep the product away from children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Avoid Sharp Edges:** Be cautious of any sharp edges when handling the card holder.
- **Secure Attachment:** Ensure that the card holder is securely attached to the mount before use to prevent it from falling.
- **Avoid Distractions:** Do not allow distractions while using the card holder in the field.
- **Weather Conditions:** Be aware of weather conditions that may affect the performance of the card holder and data card.
- **Use of Marking Pencil:** When using the marking pencil, ensure it is stored safely after use to prevent accidental injury.

Instructions for Installation and Usage

1. **Installation:**

   - Choose the desired location on the C1 mount for installation.
   - Align the card holder with the mount and secure it using the industrial strength Velcro provided.
   - Ensure that the holder is mounted securely in either the left/right or fore/aft position as needed.

2. **Usage:**

   - To insert a data card, open the Kydex panel and place the card in the holder.
   - Use the marking pencil to write directly on the card. Note that the markings will not wash off in rain but can be easily wiped away.
   - Adjust the multiaxis rotation feature to find the optimal viewing angle for your target data.
   - When not in use, fold the Kydex panel away to prevent injury or snagging.

3. **Maintenance:**

   - Regularly check the condition of the Velcro and the Kydex panel for wear and tear.
   - Clean the card holder with a damp cloth as needed, avoiding harsh chemicals that could damage the material.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Separate recyclable materials from nonrecyclable waste.
- If the product is damaged beyond repair, ensure it is disposed of safely to prevent potential hazards.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the EUbased contact point provided with your product packaging or documentation.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Condition One / Hawk Hill Custom Data Card Holder!
