

# **BTC-PRO 17-S BIPOD CLAMP - REALLY RIGHT STUFF 17-S BTC-PRO CLAMP**

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

The Really Right Stuff SOAR BTC-Pro system is based on both the NATO Picatinny Standard and their RRS 1.5"" Dovetail Standard. A screw knob style clamp designed to directly thread onto A.R.M.S. 17S compatible Thunderbeast, B&T Atlas and Magpul bipods. You will now be able to mount anywhere along your rifles standard picatinny rail, RRS SOAR custom chassis mount, multi-purpose rail, or full length chassis RRS/Arca rail. Clamp jaws open and close by twisting the knurled knob on our tried and true screw-knob clamps.

# Safety Instruction Guide for BTCPRO 17S BIPOD CLAMP

## Introduction

Thank you for choosing the BTCPRO 17S BIPOD CLAMP by Really Right Stuff. This guide provides essential safety instructions and usage guidelines to ensure safe handling and optimal performance of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the bipod clamp is compatible with your equipment before use.
- Always inspect the clamp for any damage or wear before installation.
- Keep the clamp out of reach of children and vulnerable individuals.
- Do not exceed the weight limit specified by the bipod manufacturer.
- Use the clamp only for its intended purpose as described in this manual.
- In case of any malfunction or unusual behavior, cease use immediately and consult a professional.

## Specific Safety Precautions for Use

### • Installation Safety:

- Ensure that the clamp is securely fastened to prevent accidental detachment during use.
- Avoid overtightening the screw knob, which may damage the clamp or your equipment.

### • Usage Safety:

- Always use the clamp in a stable environment to prevent accidents.
- Be aware of your surroundings when using the bipod to avoid collisions or falls.

### • Maintenance Safety:

- Regularly clean the clamp and check for wear and tear.
- Do not use harsh chemicals or abrasive materials for cleaning.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the mounting location on your rifle's rail.
- Align the clamp with the desired position on the Picatinny rail.
- Thread the screw knob into the clamp until secure, ensuring it is tight but not overly so.
- Check that the clamp is firmly in place before proceeding.

### 2. Usage:

- Adjust the bipod legs to your desired height.
- Ensure that the bipod is stable and secure before placing any weight on it.
- Always monitor the clamp during use for any signs of loosening.

### 3. PostUse:

- After use, remove the clamp from the rail if not needed.

- Store the clamp in a dry and safe location, away from direct sunlight and moisture.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the clamp in household waste.
- Consider recycling options if available in your area to minimize environmental impact.

## Contact Information for Further Support

For any safety inquiries or further assistance, please contact the manufacturer or your local distributor. Always refer to the official website for the most current information regarding product safety and recalls.

**Important Note:** This guide is intended to enhance the safety and enjoyment of your BTCPRO 17S BIPOD CLAMP. Adhering to these guidelines will help ensure safe operation and longevity of the product. Always prioritize safety and responsible usage.
