Safety Instruction Guide for MIKE9B 9MM 16" Forward Charging Rifle

Introduction

Thank you for choosing the MIKE9B 9MM 16" Forward Charging Rifle. This rifle is designed for recreational shooting, home defense, and participation in PCC competitions. To ensure your safety and the safe operation of this firearm, please read and follow the guidelines in this instruction manual carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to fire.
- Be aware of your target and what is beyond it.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Use appropriate eye and ear protection while shooting.
- Never use alcohol or drugs before or while shooting.
- Regularly inspect your rifle for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before performing any maintenance or cleaning.
- Use only the specified 9mm Luger ammunition with this rifle.
- Be cautious of hot surfaces when handling the rifle after firing.
- Do not modify the rifle in any way that could affect its safety or performance.
- If you experience a misfire, keep the rifle pointed downrange for at least 30 seconds before attempting to clear the malfunction.
- Always ensure that the charging handle is in the correct position before firing.

Instructions for Installation and Usage

Installation

1. **Unboxing:** Carefully remove the rifle from the packaging and inspect it for any visible damage.
2. **Assembly:** If any components are disassembled, refer to the assembly instructions provided in the packaging.
3. **Sighting:** If applicable, install the sights according to the manufacturer's instructions.

Usage

1. Loading the Rifle:

- Ensure the rifle is pointed in a safe direction.
- Insert a loaded magazine into the magazine well until it clicks into place.
- Pull the charging handle to the rear and release it to chamber a round.

2. Firing:

- Aim at your target while ensuring that the area beyond the target is safe.
- Place your finger on the trigger only when you are ready to shoot.
- Squeeze the trigger smoothly to fire.

3. Unloading:

- Point the rifle in a safe direction.
- Remove the magazine by pressing the oversized magazine release.
- Pull the charging handle to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is empty.

Disposal Instructions

- Dispose of this product in accordance with local regulations regarding firearms and hazardous materials.
- Do not throw the rifle in regular trash.
- Contact local authorities for proper disposal methods or recycling options.

Contact Information for Further Support

For any questions or concerns regarding the MIKE9B 9MM 16" Forward Charging Rifle, please refer to the manufacturer's customer support resources. Always keep this manual for future reference and ensure that anyone who uses the rifle is familiar with these safety guidelines.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your MIKE9B 9MM 16" Forward Charging Rifle. Thank you for prioritizing safety.
