# Standard Mike9 16" 9MM Forward Charging Semi Auto Only Safety Instructions

## Introduction

Thank you for choosing the Standard Mike9 9mm Front Charge Rifle. This guide provides important safety instructions to ensure the safe use and handling of your firearm. Please read this manual carefully and follow all safety guidelines to minimize risks.

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm unloaded and in a secure location, inaccessible to children and unauthorized users.
- Always be aware of your target and what lies beyond it.
- Use only the recommended ammunition for this firearm.
- Always wear appropriate safety gear, including eye and ear protection when shooting.
- Do not engage in horseplay or distractions while handling the firearm.
- Ensure the firearm is clean and wellmaintained for optimal performance.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure that the firearm is not loaded when performing maintenance or cleaning.
- Avoid using the firearm under the influence of alcohol or drugs.
- Do not modify the firearm in any way that could affect its safety.
- Be cautious of hot surfaces, especially the barrel and muzzle after shooting.
- Always use the safety features provided with the firearm.
- Ensure that the charging handle is in the correct position before firing.
- Be aware of the recoil and ensure you maintain a proper grip and stance.

## Instructions for Installation and Usage

### Installation

1. **Check the Firearm:** Ensure the firearm is unloaded before installation.
2. **Attach the Handguard:** Align the MLOK compatible handguard with the upper receiver and secure it using the provided hardware.
3. **Install the Stock:** Attach the stock to the lower receiver according to the manufacturer's instructions.
4. **Verify Assembly:** Doublecheck that all components are securely installed and aligned.

### Usage

1. **Loading the Firearm:**
  - Use only compatible 9mm Luger Glock magazines.
  - Insert the magazine into the magazine well until it clicks into place.
  - Pull the charging handle back and release to chamber a round.
2. **Firing:**
  - Ensure the safety is in the "fire" position.
  - Aim at your target and squeeze the trigger gently.

- Follow through with your aim after firing to maintain control.

### **3. Unloading:**

- Point the firearm in a safe direction.
- Pull the charging handle back to eject the chambered round.
- Remove the magazine from the magazine well.

## **Disposal Instructions**

- Dispose of the firearm responsibly, in accordance with local laws and regulations.
- Ensure that the firearm is rendered inoperable before disposal.
- Contact local authorities or licensed firearm dealers for safe disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please reach out to your local authorized dealer or manufacturer. Ensure you have the model number and any relevant details ready for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Standard Mike9 9mm Front Charge Rifle. Remember that safety is your responsibility. Always prioritize safe handling practices.
