Safety Instruction Guide for STANDARD MIKE9 16" 9MM REAR CHARGING SEMI AUTO ONLY

Introduction

Thank you for choosing the STANDARD MIKE9 16" 9MM Rear Charging Semi Auto Only Rifle. This guide provides essential safety instructions to ensure the safe and effective use of your firearm. Always adhere to these guidelines to protect yourself and others.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the muzzle pointed in a safe direction at all times.
- Store firearms securely and out of reach of unauthorized persons, especially children.
- Use appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure that you have a safe backstop.
- Do not consume alcohol or drugs before or while using this firearm.
- Regularly inspect your firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before performing any maintenance or cleaning.
- Always use the correct ammunition type specified for this firearm (9mm Luger).
- Do not exceed the magazine capacity as specified by the manufacturer.
- Be cautious when using the muzzle brake, as it may produce increased noise and recoil.
- Avoid using the firearm in wet or damp conditions to prevent corrosion and malfunction.
- Ensure that all accessories (e.g., sights, grips) are properly installed and secured before use.
- Do not alter or modify the firearm in any way that could affect its safety and performance.

Instructions for Installation and Usage

Installation

1. **Check Contents:** Verify that all components are present and undamaged.
2. **Attach Handguard:** Align the handguard with the monolithic style upper receiver. Ensure it is securely locked in place.
3. **Install Sights:** If applicable, install any front or rear sights according to the manufacturer's instructions.
4. **Verify Functionality:** Before using the rifle, check that all parts move freely and are functioning correctly.

Usage

1. **Loading the Rifle:**
 - Ensure the rifle is pointed in a safe direction.
 - Open the magazine and load the appropriate ammunition.
 - Insert the magazine into the magazine well until it clicks into place.
 - Pull the charging handle to chamber a round.

2. **Firing:**

- Assume a stable shooting position.
- Place your finger outside the trigger guard until you are ready to shoot.
- Aim at your target and gently squeeze the trigger to fire.
- After firing, keep the rifle pointed downrange and wait for further instructions.

3. Unloading the Rifle:

- Keep the muzzle pointed in a safe direction.
- Remove the magazine by pressing the oversized magazine release.
- Pull the charging handle to eject any chambered round.
- Visually and physically inspect the chamber to ensure it is empty.

Disposal Instructions

- Follow local regulations for the disposal of firearms and ammunition.
- If you need to dispose of the rifle, consider contacting a licensed firearms dealer for assistance.
- Do not throw the firearm in the trash or leave it unattended in public areas.

Contact Information for Further Support

For any questions or concerns regarding the STANDARD MIKE9 16" 9MM Rear Charging Semi Auto Only Rifle, please refer to the manufacturer's website or contact their customer support. Always ensure you have the latest information on safety recalls and product updates.

Important Note: This guide is intended to provide general safety instructions and does not replace proper training and education in firearm use. Always seek professional instruction if you are unfamiliar with firearms.
