

AK-47 EKG TRIGGER KIT - BATTLE ARMS DEVELOPMENT INC. EKG AK TRIGGER KIT

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Battle Arms provides the EKG AK Trigger Kit as an economical way to improve your AK pattern rifle. Features: Maximum compatibility with most standard production AK patterned firearms. Enhanced hammer geometry to eliminate that ""hump"" feel when charging the AK, to give you that smooth custom feel. Thru-harden steel (no softcore) HRC 42-45. Due to proper heat treat, this minimizes internal wear or mushrooming the back of the carrier from over hardened hammers. Two raised dimples on the back to allow for an easy index of hammer spring. Made in the USA for 922r compliance 3 Pieces (Hammer, Trigger, Disconnecter). Comfortable trigger shoe. Distinctive trigger bow design. Clean crisp break (compare to standard mil-spec). Short, smooth, and positive reset No Trigger Slap. Single Hook Design. Black Phosphate Finish. What is included: Hammer Trigger Disconnecter Disconnecter spring Axis pin sleeve Note: Does NOT come with trigger or hammer springs. Users will need to purchase springs separately from another vendor. Application: Stamped AK47 and AK74 variants. May work in additional variants, however, BATTLEARMS® cannot guarantee proper fit and function in other platforms. These triggers may require fitment to work properly in other platforms. Please read BATTLEARMS® Return Policy for more information. Any modified triggers cannot be refunded or exchanged. We advise contacting Battle Arms with questions prior to any modifications for fitment questions.

AK47 EKG Trigger Kit Safety Instructions

Introduction

Thank you for choosing the AK47 EKG Trigger Kit from Battle Arms Development Inc. This guide provides essential safety instructions and information to ensure the safe installation and use of your trigger kit. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used only as intended and in compliance with all local laws and regulations.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the trigger kit and all firearm components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear and damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including eye protection, when handling or working on firearms.
- Ensure that the firearm is unloaded before starting any installation or maintenance work.
- Be aware of potential hazards, such as sharp edges and small parts that could pose a choking hazard.
- Only use the trigger kit with compatible AK pattern firearms as specified in the product documentation.
- Do not modify the trigger kit beyond the manufacturer's specifications, as this may compromise safety and performance.
- If you experience any malfunctions or issues during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components, including the trigger kit, hammer, disconnecter, and axis pin sleeve.
- Ensure your workspace is clean and free from distractions.

2. Installation Steps:

- Ensure the firearm is completely unloaded and the safety is engaged.
- Remove the existing trigger assembly from your AK pattern firearm.
- Carefully follow the product instructions to install the new trigger kit components:
 - Install the hammer in the designated slot.
 - Insert the disconnecter and attach the disconnecter spring.
 - Position the trigger and secure it in place with the axis pin sleeve.
- Doublecheck that all components are securely installed and function correctly before reassembling the firearm.

3. Usage:

- Familiarize yourself with the trigger's operation and ensure that it functions smoothly.
- Practice safe firearm handling at all times, including keeping your finger off the trigger until ready to shoot.
- Regularly check the trigger mechanism for proper function and wear.

Disposal Instructions

- Dispose of any defective or damaged components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product functionality, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and the safety of those around you is our top priority. Enjoy your AK47 EKG Trigger Kit responsibly!
