

# FAST COG SERIES MOUNT FOR TRIJICON ACOG/VCOG - UNITY TACTICAL FAST COG SERIES MOUNT FOR TRIJICON ACOG/VCOG FDE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The Unity Tactical FAST is a series of optic mounts and platforms that provide end users with a quicker sight picture than standard height mounts. The FAST COG Series Mounts were developed to work with all Trijicon ACOG and VCOG series optics. It raises the optical centerline to 2.05"" above the rail for faster/easier sight pictures. These scopes come from the factory with a low mount that can impede stock weld and sight pictures while wearing plate carriers, helmets, and communication headsets. The taller FAST mount is a drop-in replacement for the OEM device and greatly aids in rapid threat engagement. The FAST COG Series Mounts are also compatible with the entire FAST Offset Accessory suite for rapid transition to a Miniature Red Dot Sight. 2.05"" Height Type III Hardcoat Anodized 2.9 oz (82 grams)

## Attributes

- Name: [UNITY TACTICAL FAST COG SERIES MOUNT FOR TRIJICON ACOG/VCOG FDE](#)
- Manufacturer: [UNITY TACTICAL](#)
- Product no.: 100044106
- Mfr. No.: FST-COGF
- Colour: Flat Dark Earth
- Fits / Used For: Trijicon ACOG, Trijicon VCOG
- Height: 2.05"
- Weight: 2.9 oz
- Delivery weight: 0.136kg
- Shipping height: 64mm
- Shipping width: 89mm
- Shipping length: 121mm

# Safety Instruction Guide for FAST COG Series Mount for Trijicon ACOG/VCOG

## Introduction

Thank you for choosing the FAST COG Series Mount for Trijicon ACOG/VCOG. This product is designed to enhance your optical experience by providing a higher sight picture for improved accuracy and rapid target engagement. To ensure your safety and the proper functioning of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure the mount is securely attached before use.
- Regularly inspect the mount for any signs of wear or damage.
- Avoid using the mount in extreme conditions that may compromise safety.
- Ensure that the mount is compatible with your optics to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the rail on which the mount is installed is clean and free of debris.
- Do not exceed the weight limit specified for the mount to prevent failure.
- Use only compatible optics (Trijicon ACOG and VCOG series) to ensure safety and effectiveness.
- When wearing protective gear, ensure that the mount does not obstruct your sight picture.
- If using in conjunction with a Miniature Red Dot Sight, ensure proper alignment to avoid misfires or accidents.

## Instructions for Installation and Usage

### 1. Installation

- Remove any existing mounts from the rail.
- Clean the rail area to ensure a secure fit.
- Align the FAST COG Series Mount with the rail, ensuring proper positioning.
- Secure the mount using the provided hardware, tightening it firmly but not excessively.
- Verify that the mount is stable and does not move.

### 2. Usage

- Before engaging in any activity, ensure that the mount is securely fastened.
- Adjust your optics as necessary to achieve the desired sight picture.
- Practice using the mount in a controlled environment before using it in the field.
- Regularly check the mount during use to ensure it remains secure.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mount in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the FAST COG Series Mount, please refer to the contact information provided in the product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure the safe and effective use of the FAST COG Series Mount for Trijicon ACOG/VCOG. Thank you for your attention to safety.
