

AR-15 ANGLED GRIP W/CABLE MANAGEMENT FUNCTION FOR 1913 PIC RAIL - STRIKE INDUSTRIES AR-15 ANGLED GRIP LONG W/CABLE MANAGEMENT FOR PIC RAIL BLK

[Rifle Parts](#) > [Grip Parts](#) > [Vertical Grips](#)

The Strike Industries Angled Vertical Grip with Cable Management (Picatinny) is engineered like no other grip on the market. The grip angle sits on the handguard at 86 degrees. The patent pending SI Cable Management System® (CMS) function enables you to organize and store excess wire from your weapon light or any other cabled accessories. Instead of tucking wire anywhere you can and using cable ties or tape to hold it down, the SI CMS will offer you a place to route and/or contain loose wire inside the grip cavity. The cuts at the top middle of the grip allow for easier pressure switch attachment. On both the Short and Long version there has an added built-in stability feature when you place the L-shaped bottom onto a table edge/corner or as a barricade stop, giving you another way to get back on target faster downrange. The Short version is a low-profile form helps to minimize snags. The forward angle provides more of a natural wrist angle and increased rigidity of forearm. Designed with textured palm and finger areas with flat sides for positive handling and easier manipulation of the firearm. Made from durable and lightweight polymer compatible with 1913 Picatinny rails, the Strike Industries Angled Vertical Grip with Cable Management gives the shooter control while handling or firing the weapon, added stability with table/edge corner or as a barricade stop and an innovative way to ensure total cable management. No messy wires.

Attributes

Safety Instruction Guide for AR15 Angled Grip with Cable Management

Introduction

Thank you for choosing the AR15 Angled Grip with Cable Management Function from Strike Industries. This product is designed to enhance your shooting experience by providing better control and organization for your firearm accessories. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Ensure that you are familiar with the operation of your firearm before using this grip.
- Keep the grip and your firearm clean and wellmaintained.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Store your firearm and accessories securely and out of reach of children.

Specific Safety Precautions for Use

- Ensure that the grip is securely attached to your firearm before use.
- Avoid using the grip if it shows signs of damage or wear.
- Be cautious when routing cables through the grip to avoid pinching or damaging them.
- Do not overload the grip with excessive weight or accessories that could affect stability.
- Use the grip only with compatible Picatinny rails to ensure a secure fit.
- Always check for proper cable management to prevent entanglement during use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and the safety is engaged.
- Align the grip with the Picatinny rail on your firearm.
- Secure the grip using the provided mounting hardware.
- Tighten the screws firmly, but do not overtighten to avoid damaging the grip or rail.

2. Cable Management:

- Route excess wire from your weapon light or accessories through the designated channels in the grip.
- Ensure that wires are not pinched and are securely contained within the grip cavity.
- Utilize the cuts at the top middle of the grip for attaching pressure switches easily.

3. Usage:

- Hold the grip with a firm and stable grip while aiming and firing.
- Use the Lshaped bottom of the grip for added stability when resting on a table edge or barricade.
- Always maintain control of the firearm and be aware of your surroundings.

Disposal Instructions

- Dispose of the grip in accordance with local regulations for plastic products.
- If the grip is damaged beyond use, consider recycling it if facilities are available.

- Do not dispose of the grip in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the contact information provided with your purchase.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the AR15 Angled Grip with Cable Management from Strike Industries.
