# Safety Instruction Guide for Walkers Youth/Women's Shooting Glasses

## Introduction

Thank you for choosing the Walkers Youth/Women's Shooting Glasses. These glasses are designed to provide excellent protection for your eyes while shooting at the range. It is important to follow safety guidelines to ensure the best experience and protection. This guide outlines essential safety instructions and information for proper use and maintenance of your shooting glasses.

## General Safety Guidelines

- Always inspect your shooting glasses before each use for any signs of damage or wear.
- Ensure that the glasses fit properly and comfortably on your face.
- Use the glasses only for their intended purpose: eye protection during shooting activities.
- Keep the glasses clean and free from scratches to maintain optimal visibility.
- Store the glasses in a protective case when not in use to prevent damage.
- Be aware of your surroundings and follow all safety protocols at the shooting range.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Impact from flying debris or projectiles.
- UV exposure during outdoor shooting activities.

### • Avoiding Hazards:

- Always wear the glasses when shooting or in a shooting environment.
- Do not use the glasses if they are damaged, as they may not provide adequate protection.
- Ensure that the lens color is appropriate for the lighting conditions at the range.
- Keep the glasses away from children when not in use to prevent misuse.

### • Age Specific Warnings:

- These glasses are designed for youth and women. Ensure that they are used under adult supervision if intended for younger users.

## Instructions for Installation and Usage

### 1. Fitting the Glasses:

- Place the glasses on your face and adjust them until they fit snugly without discomfort.
- Ensure that the arms of the glasses sit comfortably behind your ears.

### 2. Using the Glasses:

- Always wear the glasses before entering the shooting area.
- Ensure that the lenses are clean and free from obstructions before use.
- Do not modify the glasses or use them in ways not intended by the manufacturer.

### 3. Cleaning the Glasses:

- Use a soft, lintfree cloth to clean the lenses.
- Avoid using harsh chemicals or abrasive materials that could scratch the lenses.

#### **4. Storing the Glasses:**

- After use, place the glasses in a protective case to avoid scratches and damage.
- Store the case in a cool, dry place away from direct sunlight.

## **Disposal Instructions**

- When the glasses reach the end of their life or are no longer usable, dispose of them responsibly.
- If applicable, follow local regulations for disposing of plastic materials.
- Do not throw the glasses in regular trash if they contain any hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the Walkers Youth/Women's Shooting Glasses, please refer to the manufacturer's contact information provided with your product packaging or visit the official website.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience while using your Walkers Youth/Women's Shooting Glasses. Always prioritize eye protection and adhere to safety protocols at all times. Thank you for your commitment to safety in shooting activities.
