Safety Instruction Guide for Moldable Silicone Ear Plugs

Introduction

Thank you for choosing the Moldable Silicone Ear Plugs by Walkers Game Ear. These ear plugs are designed to provide comfort and an effective seal for sound reduction. This guide contains important safety information, usage instructions, and disposal guidelines to ensure your safety and satisfaction.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ear plugs by following all instructions provided in this guide. These ear plugs are nonfood products and should be used as directed.
- **Enhanced Recalls:** In the event of a safety recall, you will be notified through standardized notices. Follow the instructions provided for returning or exchanging the product.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements to guarantee the quality of the product.
- **Special Consumer Focus:** These ear plugs are not suitable for children under the age of 3 due to choking hazards. Always supervise children when using any ear plugs.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hearing Protection:** These ear plugs have a Noise Reduction Rating (NRR) of 32 dB, which helps reduce exposure to loud sounds. Ensure they are used in noisy environments to protect your hearing.
- **Allergic Reactions:** If you have a known allergy to silicone or related materials, do not use these ear plugs. Consult a healthcare professional if you experience any discomfort.
- **Proper Fit:** Ensure that the ear plugs fit snugly in the ear canal to achieve optimal sound reduction. Improper fit may reduce effectiveness.
- **Limit Use Duration:** Do not wear ear plugs for extended periods. It is recommended to take breaks to allow your ears to breathe.
- **Storage:** Keep the ear plugs in the provided storage case when not in use to maintain their shape and hygiene.

Instructions for Installation and Usage

1. Preparation:

- Ensure your hands are clean and dry before handling the ear plugs.
- Remove the ear plugs from the storage case.

2. Molding the Ear Plugs:

- Take a small amount of the silicone putty and roll it into a ball.
- Flatten the ball slightly to create a disc shape.

3. Inserting the Ear Plugs:

- Gently pull the outer ear upwards and back to open the ear canal.
- Insert the molded ear plug into the ear canal, ensuring a snug fit.
- Press gently to create an airtight seal.

4. Removing the Ear Plugs:

- To remove, gently twist the ear plug while pulling it out of the ear canal.
- Avoid pulling forcefully to prevent discomfort.

5. Cleaning:

- Wipe the ear plugs with a clean, dry cloth.
- Do not wash them with water or soap, as this may damage the material.

Disposal Instructions

- Dispose of used ear plugs in accordance with local regulations for waste disposal.
- Do not flush ear plugs down the toilet as they may cause blockages.
- If the ear plugs become damaged or lose their effectiveness, dispose of them responsibly.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the contact information provided by the retailer or manufacturer.

Thank you for following these safety instructions. Enjoy your Moldable Silicone Ear Plugs and take care of your hearing health!
